Terms and Conditions

Auction Terms and Conditions: In addition to the "General Terms and Conditions" referenced below, which apply to all of our services, the following Auction Terms and Conditions ("Auction Terms") apply to the auction described above. Please review these Auction Terms and the **General Terms and Conditions** prior to participating or registering to participate in the auction, as they form a legally binding agreement between you and Nicholls Auction Marketing Group, Inc. ("Nicholls Auction"). Capitalized terms used but not defined in these Auction Terms will have the meanings ascribed to them in the **General Terms and Conditions**.

Approval to Bid: Approval to bid is subject to completing an on-site or on-line bidder registration form and verification of the required earnest money deposit by auction personnel. The approval of online bidders is subject to confirmation by the auction coordinator.

Earnest Money: A **$15,000 (home & 7.6 acres), $7,500 (6.7 acre land parcel) or $22,500 (for home & 14.4 acres)** deposit is due immediately after confirmation of Final Bid, must be presented at registration before the auction begins, and the balance is due at closing within 45 days or as soon thereafter as seller's closing documents are available (unless prior written arrangements have been made by contacting **Tony Wilson @ 540-748-1359**). Deposit must be in the form of a cashier's check or certified check (from a US bank/financial institution) made payable to yourself, which you will endorse over to Nicholls Auction if you are the successful bidder. The deposit is non-refundable. The deposit will be held in a non-interest bearing escrow account until settlement. Subject to Nicholls Auction's sole discretion, there is a possibility of a lesser deposit if proof of pre-approved financing is presented prior to auction.

Closing: If you are the successful Buyer (as defined in the **General Terms**), you must sign all documents and contracts immediately after the acceptance of the Final Bid. Buyer will also be required to make an appointment with the closing agent to pay the balance of the purchase price and receive the deed to the property. Closing is to take place on or before 45 days from date of auction (unless prior arrangements have been made with and agreed to in writing by Nicholls Auction). Buyer acknowledges and agrees that time is of the essence. Buyer will pay for all of their closing costs associated with the transaction (please see the **General Terms**).

Real Estate Salesperson/Broker Acknowledgment: Although having a real estate salesperson/broker is not required, if you are working with a real estate salesperson/broker, the real estate salesperson/broker must complete the Auction Bidder Representation Form available here: **"Auction Bidder Representation Form"**. In order for your real estate salesperson/broker to be compensated, the Auction Bidder Representation Form must be completed and properly submitted no later than 6 a.m. on the day of the auction, which is **1/13/2027** (no exceptions). A registered real estate salesperson/broker can only represent one buyer at each auction event. If the auction at which you wish to bid has a live bidding component, your real estate salesperson/broker must attend the auction event in person regardless of whether you are bidding live in person on site or bidding on line off site, and real estate salesperson/broker must adhere to all terms.

Auction Premium: A 10% auction premium will be added to the Final Bid and will become a part of the purchase price (10% Auction Premium Example: Bid Price: $100,000, Plus 10% Auction Premium of $10,000; Total Contract Price = $110,000). The auction premium is non-negotiable.

Please review all information supplied and seek appropriate assistance prior to bidding. All announcements made on the day of the auction will take precedence over all previously provided material and any other oral statements made.

No Contingencies: The sale of the property and Buyer's obligation to purchase of the property is NOT contingent upon Buyer's financing, the condition of property, an appraisal, an inspection, or any other condition (except to the extent provided in the applicable contract documents or required by applicable law).
