A black and white photograph of a train car, likely a passenger car, with the number 502 visible on its side. The image is grainy and appears to be a photocopy or a scan of a printed document. The train car is dark-colored with light-colored lettering and numbers. The number 502 is prominently displayed in the center of the car's side. There are other markings and text on the car, but they are less legible due to the image quality. The background is dark and indistinct.
