Terms of Sale

Corporate: Alderfer Auction, 501 Fairgrounds Road, Hatfield, PA 19440. 215.393.3000.
Doylestown: Alderfer Auction at Timmons Gallery, 3795 Rt. 202, Doylestown, PA 1890

23% Buyer's Premium applied for Alderfer Auction bidding platform. Surcharge applies to third-party bidding platforms.

By bidding at Alderfer Auction whether it be live, online, onsite, absentee or phone bid, you agree to be bound by Alderfer Auction's Terms & Conditions stated here forth. **Addendum statements made day of auction take precedence over previously printed materials.**

The validity and interpretation of any of the terms and provisions of this agreement or of the rights and duties of the parties under this agreement shall be governed by the laws of the Commonwealth of Pennsylvania and venue of all proceedings shall occur in Montgomery County, PA.

1. Bidding Qualifications

Live and Online Bidding

Live and Online Auctions are conducted in front of a live audience. During these events each item presented in the auction is also available for bidding in an online venue hosted by a third party provider. While the auctioneer is receiving bids from an assembled audience, phone and absentee bidders, the auctioneer is also taking bids from bidders who are bidding through the third-party providers in real time or by advance bidding. Following the auction the successful bidders are notified and payment arrangements are made; applicable buyer's premium applies.

At its discretion, Alderfer Auction may also accept bids from approved internet bidders. Alderfer Auction or any of its staff shall not be held responsible or liable for any human or technical bidding errors, or internet bidding system shutdowns that may occur.

Online Only Bidding

Alderfer Auction sometimes uses the services of a third party auction platform for online bidding. Please refer to third party website for how to register and bid online. Buyer is responsible for all online bidding. Alderfer Auction cannot place bids for the buyer as the buyer must properly register and bid through the third party platform.

At its discretion, Alderfer Auction may also accept bids from approved internet bidders. Alderfer Auction or any of its staff shall not be held responsible or liable for any human or technical bidding errors, or internet bidding system shutdowns that may occur.

Live Online Auctions (Online Only Auction with Multiple Bidding Platforms)

Auction is open for pre-bidding until the start of the auction at which time pre-bidding will cease and the auction will go live at the auction center (no live audience, just our auctioneer and auction staff). When the auction goes live, lots will be sold one at a time, in numerical order, by a live auctioneer who will be taking bids from multiple online bidding platforms, absentee and phone bids. During pre-bidding you are able to submit a max (maximum) bid. The bidding platform or our auction staff will bid on your behalf up to the maximum bid that you have entered. Once the auction goes live if you wish to increase your bid you will have to wait until that lot opens for bidding and enter any additional bids manually.

Absentee Bidding

For those unable to attend the auction, Alderfer Auction offers the absentee bid service as a convenience to our patrons. Alderfer Auction will not be held responsible for error or failure to execute the bid(s). Absentee bids must be in writing and a fifty dollar **(\$50) minimum bid is required per item.**

Phone Bidding

Phone bids must be in writing. All **phone bids are required to open at \$250 or half of the published estimate (whichever is greater and no less than \$250).** We suggest that phone and absentee bids be made 24 hours in advance to allow time for processing.

- Everyone leaving an absentee/phone bid must be willing to leave their credit card number to assure payment of a successful bid(s) is received by the end of the next day following an auction.
- Illegible bid(s) will be disregarded.
- Applicable sales tax will be added to the sales total unless a tax-exempt number is on file in our office by the day of the auction.
- Applicable Buyer's Premium will be added to each purchase.
- **Buyer is responsible for scheduling pickup or shipping arrangements.**
- Bids are executed in competition with the audience on an alternate basis. Due to uncertainties of bidding, a lot may sell to the audience for the same amount authorized by the absentee bid. To avoid this possibility, the absentee bidder may authorize Alderfer Auction to increase their bid by one increment by placing a (+) sign beside the bid price.
- Merchandise is to be removed from the Auction location during the specific auction's stated pick-up dates and times.
- Alderfer Auction offers the absentee/phone bid service as a convenience to our patrons who are unable to attend the auction or bid online.

- Alderfer Auction will not be held responsible for error or failure to execute the bid.
- All items are sold "as is" without warranty or guarantee.

Alderfer Auction shall have the right to accept absentee and phone bids for any items consigned for any particular auction. Alderfer Auction reserves the right not to execute any absentee bid at its discretion and to have no liability for any inadvertent failure to execute any such bids.

2. Buyer's Premium, Sales Tax & Payment

Applicable buyer's premium is applied per auction. The hammer price, buyer's premium and sales tax shall be added together to reach the Total Price for an item.

Successful online bidders, who bid through a third-party online bidding platform, will be assessed a 5% surcharge on the Total Price. This charge offsets the fee collected by the third-party platform. For more information regarding this charge please see third party website for terms.

PA residents pay 6% sales tax unless a Tax-Exempt Form is on file with Alderfer Auction. Upon a successful online bid the credit card registered for said online bidding platform, whether Alderfer Auction or a 3rd party platform, buyer will be charged automatically for all winning bids per auction and invoice total **under** \$2,500.

Upon a successful online bid and invoice totaling **over** \$2,500, payment of invoice requires cash, wire transfer, cashier's check, money order **within 5 business days of auction close.** For wire transfer instructions please email info@alderferauction.com.
