When the auction goes live, lots will be sold one at a time, in numerical order, by a live auctioneer who will be taking bids from multiple online bidding platforms, absentee and phone bids. During pre-bidding you are able to submit a max (maximum) bid. The bidding platform or our auction staff will bid on your behalf up to the maximum bid that you have entered. Once the auction goes live if you wish to increase your bid you will have to wait until that lot opens for bidding and enter any additional bids manually.

Absentee Bidding

For those unable to attend the auction, Alderfer Auction offers the absentee bid service as a convenience to our patrons. Alderfer Auction will not be held responsible for error or failure to execute the bid(s). Absentee bids must be in writing and a fifty dollar **(\$50) minimum bid is required per item.**

Phone Bidding

Phone bids must be in writing. All **phone bids are required to open at \$250 or half of the published estimate (whichever is greater and no less than \$250).** We suggest that phone and absentee bids be made 24 hours in advance to allow time for processing.

- Everyone leaving an absentee/phone bid must be willing to leave their credit card number to assure payment of a successful bid(s) is received by the end of the next day following an auction.
- Illegible bid(s) will be disregarded.
- Applicable sales tax will be added to the sales total unless a tax-exempt number is on file in our office by the day of the auction.
- Applicable Buyer's Premium will be added to each purchase.
- **Buyer is responsible for scheduling pickup or shipping arrangements.**
- Bids are executed in competition with the audience on an alternate basis. Due to uncertainties of bidding, a lot may sell to the audience for the same amount authorized by the absentee bid. To avoid this possibility, the absentee bidder may authorize Alderfer Auction to increase their bid by one increment by placing a (+) sign beside the bid price.
- Merchandise is to be removed from the Auction location during the specific auction's stated pick-up dates and times.
- Alderfer Auction offers the absentee/phone bid service as a convenience to our patrons who are unable to attend the auction or bid online.
- Alderfer Auction will not be held responsible for error or failure to execute the bid.
