## 3 INFORMATION REGARDING THE REAL ESTATE SELLER DISCLOSURE LAW

4 The Real Estate Seller Disclosure Law (68 P.S. §7301, et seq.) requires that before an agreement of sale is signed, the seller in a residential  
5 real estate transfer must disclose all known **material defects** about the property being sold that are not readily observable. A **material defect**  
6 is a problem with a residential real property or any portion of it that would have a significant adverse impact on the value of the property or  
7 that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem is at or beyond the end  
8 of its normal useful life is not by itself a material defect.

9 This property disclosure statement ("Statement") includes disclosures beyond the basic requirements of the Law and is designed to assist  
10 Seller in complying with disclosure requirements and to assist Buyer in evaluating the property being considered. Sellers who wish to see  
11 or use the basic disclosure form can find the form on the website of the Pennsylvania State Real Estate Commission. Neither this Statement  
12 nor the basic disclosure form limits Seller's obligation to disclose a material defect.

13 This Statement discloses Seller's knowledge of the condition of the Property as of the date signed by Seller and **is not a substitute for any**  
14 **inspections or warranties** that Buyer may wish to obtain. **This Statement is not a warranty of any kind by Seller or a warranty or rep-**  
15 **resentation by any listing real estate broker, any selling real estate broker, or their licensees.** Buyer is encouraged to address concerns  
16 about the condition of the Property that may not be included in this Statement.

17 **The Law provides exceptions (listed below) where a property disclosure statement does not have to be completed. All other sellers**  
18 **are obligated to complete a property disclosure statement, even if they do not occupy or have never occupied the Property.**

- 19 1. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship or trust.  
20 2. Transfers as a result of a court order.  
21 3. Transfers to a mortgage lender that results from a buyer's default and subsequent foreclosure sales that result from default.  
22 4. Transfers from a co-owner to one or more other co-owners.  
23 5. Transfers made to a spouse or direct descendant.  
24 6. Transfers between spouses as a result of divorce, legal separation or property settlement.  
25 7. Transfers by a corporation, partnership or other association to its shareholders, partners or other equity owners as part of a plan of  
26 liquidation.  
27 8. Transfers of a property to be demolished or converted to non-residential use.  
28 9. Transfers of unimproved real property.  
29 10. Transfers of new construction that has never been occupied and:  
30 a. The buyer has received a one-year warranty covering the construction;  
31 b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model  
32 building code; and  
33 c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

### 34 COMMON LAW DUTY TO DISCLOSE

35 Although the provisions of the Real Estate Seller Disclosure Law exclude some transfers from the requirement of completing a disclo-  
36 sure statement, the Law does not excuse the seller's common law duty to disclose any known material defect(s) of the Property in order  
37 to avoid fraud, misrepresentation or deceit in the transaction. **This duty continues until the date of settlement.**

### 38 EXECUTOR, ADMINISTRATOR, TRUSTEE SIGNATURE BLOCK

39 According to the provisions of the Real Estate Seller Disclosure Law, the undersigned executor, administrator or trustee is not required  
40 to fill out a Seller's Property Disclosure Statement. **The executor, administrator or trustee, must, however, disclose any known**  
41 **material defect(s) of the Property.**

177 altering properties. Buyers should check with the municipality to determine if permits and/or approvals were necessary for disclosed work  
178 and if so, whether they were obtained. Where required permits were not obtained, the municipality might require the current owner to up-  
179 grade or remove changes made by the prior owners. Buyers can have the Property inspected by an expert in codes compliance to determine

181 owners without a permit or approval.

182 **Note to Buyer:** According to the PA Stormwater Management Act, each municipality must enact a Storm Water Management Plan for  
183 drainage control and flood reduction. The municipality where the Property is located may impose restrictions on impervious or semi-per-  
184 vious surfaces added to the Property. Buyers should contact the local office charged with overseeing the Stormwater Management Plan
