Re: Termite Renewal Warranty

Dear Jackie,

This letter is for you, the Mortgage Company and the new buyer. It is intended to inform all parties about the work provided to the above mentioned property.

Moyer Pest control treated the above property for termites on April 23, 2004. This termite treatment carries a one-year renewal warranty, which is in effect until August 1, 2020. The warranty covers a yearly inspection done between the months of October-March. This warranty is transferrable to any new buyer and will continue as long as the renewal fee is paid each year. The last inspection was done December 19, 2019 no new termite activity was observed at this time. We ask the new buyers contact our office with their information if they are interested in keeping the termite warranty. The warranty does not cover new or pre-existing DAMAGE that has or may occur only the treatment to correct the termite infestation.

If you have any questions please do not hesitate to contact our office @ 215-799-2010.

Thank You
Moyer Pest Control
