****This permit does not give authority to install any type of septic system****

*Not to scale

This permit is valid only for a structure of this description or smaller

This permit is not limited to a structure of this description; however, no part of the structure shall extend into the designated area for the sewage treatment system

An Authorization to construct must be obtained when final plans are completed and exact type and location of building are established. For planning purposes, please be aware that building, driveways, excavation, fill dirt, or other obstruction may not be placed or constructed in any part of the area designated for the sewage treatment system. This permit is subject to revocation if the site is altered or the intended use changes from those described above.

A Building permit may not be issued until an Authorization to Construct is obtained

Issued By: V. M. V. Date: 5/13/19 Owner/Agent: _____ Date: _____

THIS IMPROVEMENT PERMIT IS VALID FOR 5 YEARS FROM THE DATE OF ISSUANCE
