Certain persons are eligible for certain homestead exemptions from ad valorem taxation. In addition to the regular homestead exemption authorized for all homeowners, certain elderly persons are entitled to additional exemptions. The full law relating to each exemption must be referred to in order to determine eligibility for the exemption. If you are eligible for one of these exemptions and are not now receiving the benefit of the exemption, you must apply for the exemption not later than April 1, 2019 in order to receive the exemption in future years. For more information on eligibility for exemptions or on the proper method of applying for an exemption, you may contact:

If you feel that your property has been assigned to high a value for tax purposes by the Board of Tax Assessors, you should file a tax return reducing the value not later than April 1, 2019 in order to have an opportunity to have this value lowered for next years' taxes. Information on filing a return can be obtained from the address above.
