Why an Auction?

The developers of Wrights Wharf Estates have seen the advantage of an accelerated marketing program in which both Buyers and Sellers benefit.

In Traditional Real Estate marketing, a Developer maintains the cost of a Sales Office, Staff, Advertising, Interest expense and other sale-related costs that must be passed on the Buyer.

With an AUCTION event, the accelerated pace and value enables the Seller to save money and in turn pass these savings on to the Buyer.

Wrights Wharf Estates has joined efforts with buyATAuction.com to bring you the “Best Way to Buy” your Building Lot at Auction Prices; with all the assurances expected in today’s market.
