RESTRICTIONS

**STATEMENT OF RESTRICTIONS AND EASEMENTS
FOR
OAK HILL PARK**

WHEREAS, Oak Hill Land Company was the developer of a majority of Oak Hill Park, a platted subdivision in Bluestone District, Mecklenburg County, Virginia, and

WHEREAS, Oak Hill Land Company, in a deed to Douglas A. DeSouza and Joan DeSouza, his wife, dated September 30, 1975, recorded in Deed Book 251, Page 81, made the following statement:

"All lots sold in this subdivision by the grantor prior to this sale were conveyed with certain restrictions and easements which appeared in each deed. The same restrictions and easements are hereby incorporated into this deed by reference, in order to protect the owners of lots already sold," and

WHEREAS, it is the desire of the undersigned to carry forward the intent of the original restrictions and easements;
Now, Therefore

W I T N E S S E T H :

In consideration of the benefits and for the protection of the owners of all lots in Sections B, C, D, E, and F of Oak Hill Park, the following Restrictions and Easements are imposed and shall run with title to all lots in Oak Hill Park acquired by H. Waring Cowles from Oak Hill Land Company by deed of bargain and sale recorded in Deed Book 454, Page 341, and by deeds of quit-claim recorded in Deed Book 454, Page 340 and Deed Book 461, Page 3:

1. No building shall be erected or maintained on any lot in Oak Hill Park other than a private residence and a private garage for the sole use of the owner or occupant, except those lots designated Commercial on the plat map.

2. Any garage erected or maintained must conform in appearance and construction to the residence on such lot.

3. No part of said premises shall be used for commercial or manufacturing purposes, except those lots designated as Commercial on the plat map.

4. No residential building shall be erected or maintained on any lot in Oak Hill Park having a ground floor area of less than 550 square feet excluding porches.

5. No building shall be erected or maintained on any lot in Oak Hill Park closer than 10 feet from the front lot line nor closer than 5 feet from the back or side lot lines, and no building shall be erected lower than the 325 foot contour line.

6. No outside toilet or privy shall be erected or maintained in Oak Hill Park.

7. No animals or birds, other than household pets, shall be kept on any lot in Oak Hill park.

8. Building exteriors must be of brick, frame, or block construction, or combination thereof, and wood exterior or block exterior must be painted.

9. The placing of any house trailer or mobile home, regardless of size and facilities, shall be prohibited on any lot in Oak Hill Park. Any residential structure shall be constructed on a permanent masonry foundation in accordance with the BOCA Code as amended, or its successors, and the Mecklenburg County Building Code.

10. Easements are reserved along and within 5 feet of the rear line, front line, and side lines of all lots in this subdivision for the construction and perpetual maintenance of conduits, poles, wires and fixtures for electric lights, telephones, water mains, sanitary and storm sewers, road drains, and other public and quasi-public utilities and for trimming trees which at any time may interfere or threaten to interfere with the maintenance of such lines; with right of ingress to, and egress from, said premises to employees of said utilities. Said easement extends along any owner's side and rear property lines in case of fractional lots.

It is understood and agreed that it shall not be considered a violation of the provisions of this easement if wires or

cables carried by such pole lines pass over some portion of said lots not within the 5 foot wide strip as long as such lines do not hinder the construction of buildings on any lots in this subdivision.

11. The placing of "For Sale" signs on lots in Oak Hill Park shall be prohibited.

12. No building in Section "B" shall be erected on a site less than 50 feet wide at the front building line.
