

# 2005 Newmar Kountry Star

---

## Amish built quality features

- Welded aluminum framing with solid side panels and roof
- Solid wood cabinets with cherry finish (none of that pressed wood, plastic covered)
- Corian countertops
- Loads of storage space throughout the coach
- Tile flooring throughout including on slide (carpet in rear closet for noise reduction)

## Spartan chassis features

- 330 HP Cummins turbo diesel - 950 ft lbs of torque (only 72,500 miles)
- 6 speed Allison transmission with retarder (great for down mountain braking)
- Comfortable air ride suspension with air brakes
- Hydraulic leveling jacks
- Dash air conditioning/heat while travelling

## Coach features

- Bedroom and living room slides 36" deep with cam travel locks
- Dual zone heat pumps for ducted heating and cooling
- Propane furnace for those extra cold nights
- Dual pane windows for insulation and sound proofing
- Large shower with separate bathroom with ceramic commode
- Queen size bed with under bed storage (great for dirty clothes)
- Large rear mirrored closet (table leaves and extra chairs are stored there)
- Basement with lights and heat (lots of storage)
- Through coach storage in one compartment
- Slide out tray for easy access of most used items
- 2 powered awnings
- Awnings over every window
- Stacked separate clothes washer and new clothes dryer

## Electrical

- 50 amp service with surge/polarity protection and adapters
- 7.5 kw diesel generator (can power both heat pumps)
- 2 kw inverter for 110 volts while on the road
- Roof mounted domed satellite dish
- 12 volt lighting throughout the coach
- 4 deep discharge batteries for dry camping
- 2 new LED tvs, smart tv in front with behind tv storage
- Outside entertainment center with radio
- Contact less tank level sensors (reliable indication)
- Heated rear view mirrors and dash back up color camera with sound

## Tanks

- Fuel – 100 gallons diesel
- Propane
- Fresh water – 100 gallons – coach mounted filter
- Grey water and black water – 100 gallons
