ADDITIONAL CONDITIONS OF SALE

It is further understood and agreed that the order on the reverse side hereof is subject to the following terms and conditions:

1. The Manufacturer has reserved the right to change the price to Dealer of new motor vehicles without notice. In the event the price to Dealer of new motor vehicles of the series and body type ordered hereunder is changed by Manufacturer prior to delivery of the new motor vehicle ordered hereunder to Purchaser, Dealer reserves the right to change the cash delivered price of such motor vehicle to Purchaser accordingly. If such cash delivered price is increased by Dealer, Purchaser may, if dissatisfied therewith, cancel this Order, in which event if a used motor vehicle has been traded in as a part of the consideration for such new motor vehicle, such used motor vehicle shall be returned to Purchaser upon payment of a reasonable charge for storage and repairs (if any) or, if such used motor vehicle has been previously sold by Dealer, the amount received therefor, less a selling commission of 15% and any expense incurred in storing, insuring, conditioning or advertising said used motor vehicle for sale, shall be returned to Purchaser.

2. If the used motor vehicle which has been traded in as a part of the consideration for the motor vehicle ordered hereunder is not to be delivered to Dealer until delivery to Purchaser of such motor vehicle, the used motor vehicle may be reappraised at that time by the Dealer and such reappraised value shall determine the allowance made for such used motor vehicle. If such reappraised value is lower than the original allowance therefor shown on the front of this Order, and such lower value is not result of damage to the vehicle incurred subsequent to the original appraisal, Purchaser may, if dissatisfied therewith, cancel this Order, provided, however, that such right to cancel is exercised prior to the delivery of the motor vehicle ordered hereunder to the Purchaser and surrender of the used motor vehicle to Dealer.

3. Purchaser agrees to deliver to Dealer satisfactory evidence of title to any used motor vehicle traded in as a part of the consideration for the motor vehicle ordered hereunder at the time of delivery of such used motor vehicle to Dealer. Purchaser warrants any such used motor vehicle to be his property free and clear of all liens and encumbrances except as otherwise noted herein.

4. Unless this Order shall have been cancelled by Purchaser under and in accordance with the provisions of paragraphs 1 or 2 above, Dealer shall have the right, upon failure or refusal of Purchaser to accept delivery of the motor vehicle ordered hereunder and to comply with the terms of this Order, to retain as liquidated damages any cash deposit made by Purchaser, and, in the event a used motor vehicle has been traded in as a part of the consideration for the motor vehicle ordered hereunder, to sell such used motor vehicle and reimburse himself out of the proceeds of such sale for the expenses specified in paragraph 1 above and for such other expenses and losses as Dealer may incur or suffer as a result of such failure or refusal by Purchaser.

5. Manufacturer has reserved the right to change the design of any new motor vehicle, chassis, accessories or parts thereof at any time without notice and without obligation to make the same or any similar change upon any motor vehicle, chassis, accessories or parts thereof previously purchased by or shipped to Dealer or being manufactured or sold in accordance with Dealer's orders. Accordingly, in the event of any such change by Manufacturer, Dealer shall have no obligation to Purchaser to make the same or any similar change in any motor vehicle, chassis, accessories or parts thereof covered by this Order either before or subsequent to delivery thereof to Purchaser.

6. Dealer shall not be liable for failure to deliver or delay in delivering the motor vehicle covered by this Order where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer.

7. Unless otherwise expressly provided, the purchase price for the ordered vehicle specified on the reverse side hereof does not include any taxes imposed by any governmental authority with respect to such vehicle prior to or at the time of delivery of such vehicle to the Purchaser; the Purchaser assumes and agrees to pay any and all such taxes, and any and all other taxes, except income taxes, imposed on or incidental to the transaction covered by this Order, regardless of who may have the primary tax liability.

8. Any warranties applicable to a new motor vehicle ordered hereunder are the Manufacturer's warranties only and not the Dealer's. **DEALER HEREBY EXPRESSLY DISCLAIMS ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. BUYER SHALL NOT BE ENTITLED TO RECOVER FROM SELLER ANY CONSEQUENTIAL DAMAGES, DAMAGES TO PROPERTY, DAMAGES FOR LOSS OF USE, LOSS OF TIME, LOSS OF PROFITS OR INCOME OR ANY OTHER INCIDENTAL DAMAGES.** The Seller neither assumes nor authorizes any other person to assume for it any liability in connection with the sale of such vehicle. This disclaimer in no way affects the terms of the Manufacturer's warranty.

9. Any used motor vehicle sold to Purchaser by Dealer under this Order is sold **WITHOUT WARRANTY, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE** as to its condition or the condition of any part thereof except as may be specifically provided in a separate writing furnished to Purchaser by Dealer. **BUYER SHALL NOT BE ENTITLED TO RECOVER FROM SELLER ANY CONSEQUENTIAL DAMAGES, DAMAGES TO PROPERTY, DAMAGES FOR LOSS OF USE, LOSS OF TIME, LOSS OF PROFITS OR INCOME OR ANY OTHER INCIDENTAL DAMAGES.**

10. In the case of a cash transaction, title to the ordered vehicle shall not pass to the Purchaser until the Dealer shall have received, in cash, the full amount of the Cash Due on Delivery. In the event that the transaction covered by this Order is not a cash transaction, Purchaser agrees to execute, before or at the time of delivery of the ordered vehicle, such conditional sales contracts and other instruments as may be required by Dealer.

11. Any amount marked as an "estimate" on this agreement is based on the best information available to Dealer and is subject to change when the true amount is determined. Purchaser agrees to such changes in the terms hereon as may be necessary to reflect the correction of any such estimate.
