

How do I find and save items in an auction?

Finding Items (Method 1):

Specific items can be located in an auction's catalog by entering a term into the search bar, as seen below:

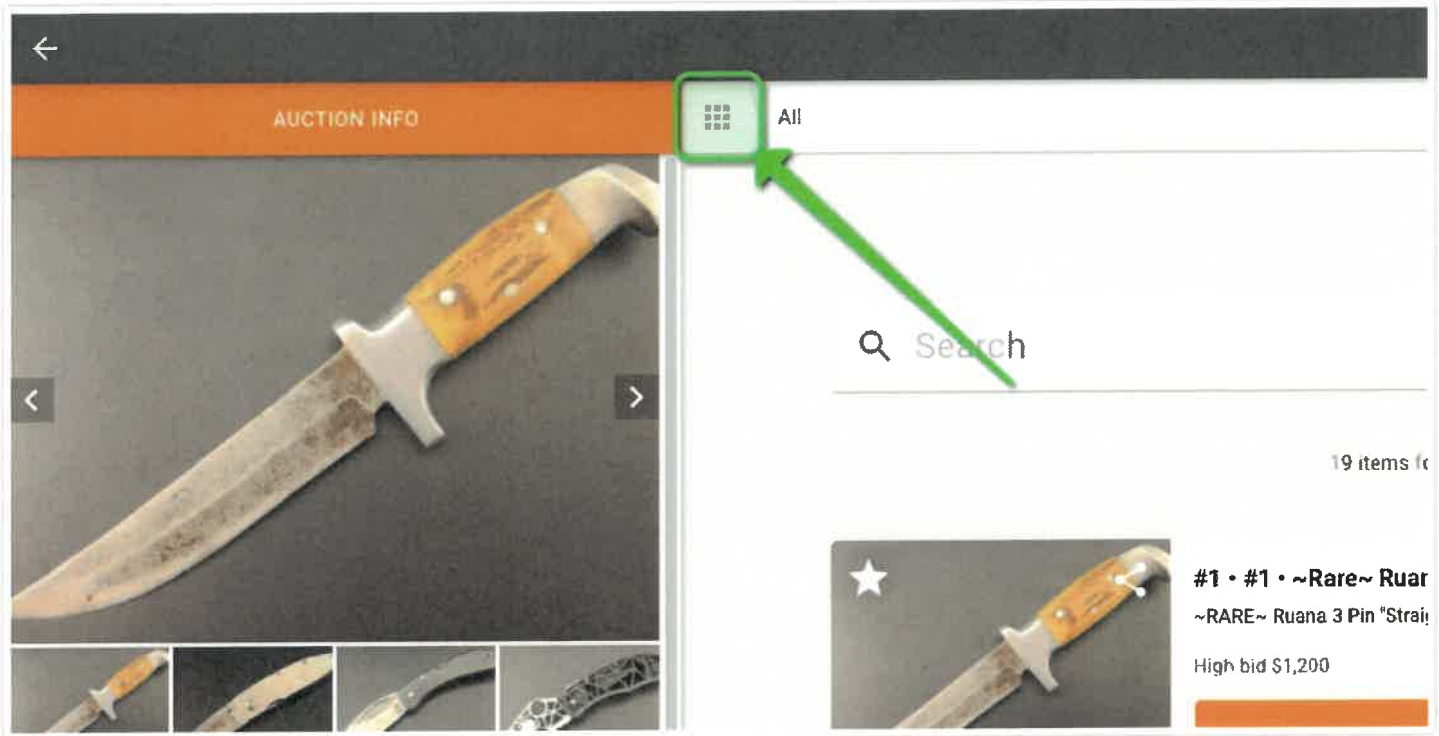

The screenshot shows a mobile application interface for an auction. On the left, there is a large image of a hunting knife with a wooden handle and a curved blade. Below it are smaller images of other knives. The text below the images reads: "Collectible Knife Auction by BidWrangler, Harrisonburg VA, 19 items, ACCEPT NO BIDS, JAN 07 9:35a EST". At the bottom of this section are tabs for "DETAILS", "TERMS", and "CONTACT".

The main area of the screen features a search bar with the text "Search in Active" and a magnifying glass icon. Below the search bar, it says "19 items found in Active" with a link to "Show all items". Two items are listed:

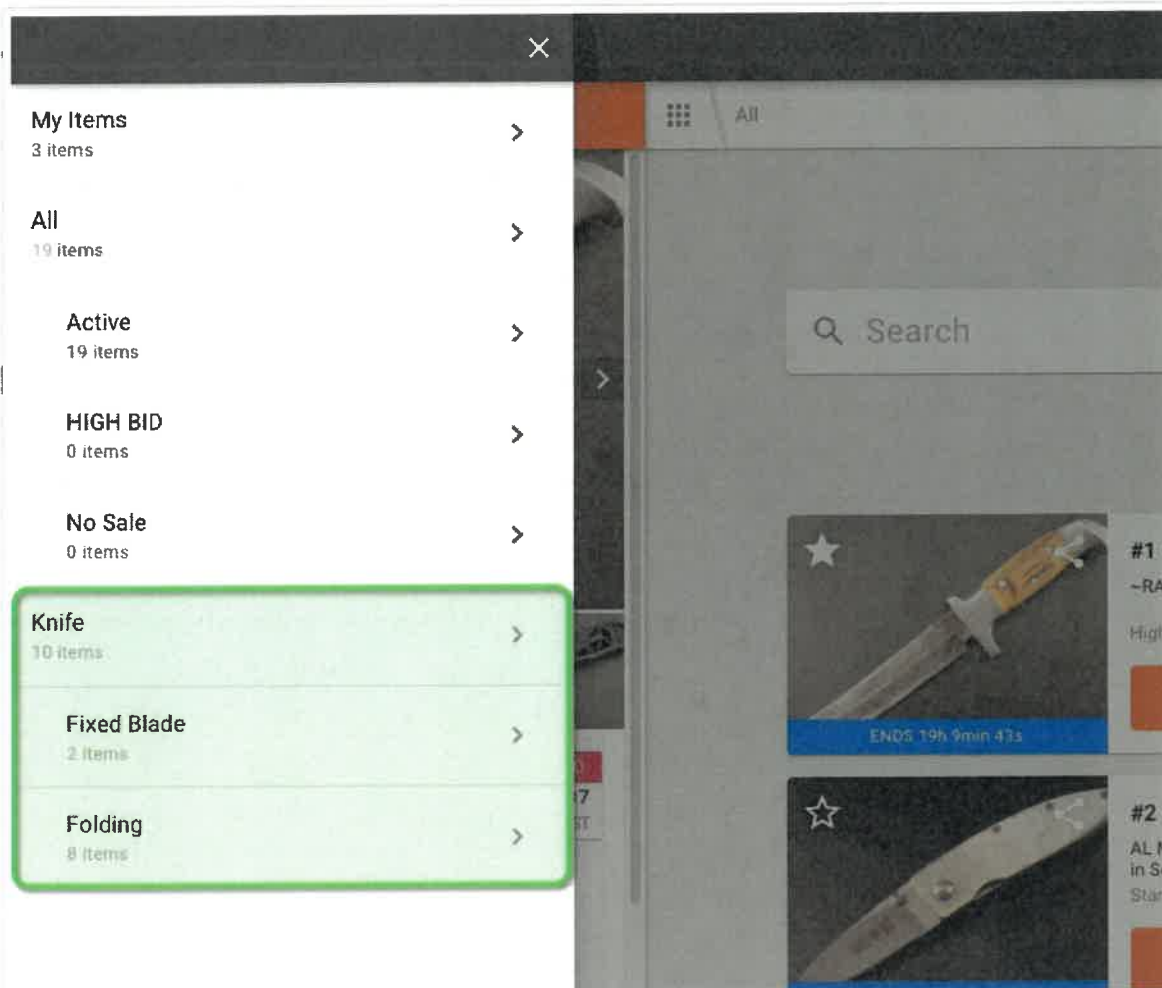

- #1 - #1 - ~Rare~ Ruana 3 Pin "Straight Cut" Hunting Knife**
~RARE~ Ruana 3 Pin "Straight Cut" Knife. Made in the late 1930's. Elk Horn Scales.

Finding Items (Method 2):

If an auction has items organized into categories, you can view the specific categories by clicking on the grid icon:

This will display a menu where the categories (and any sub-categories) items are sorted into will appear. Any of these tabs can be clicked on to view only the items in the specified category.

The tabs next to the grid icon will change to show you what category and subcategory you are currently viewing:

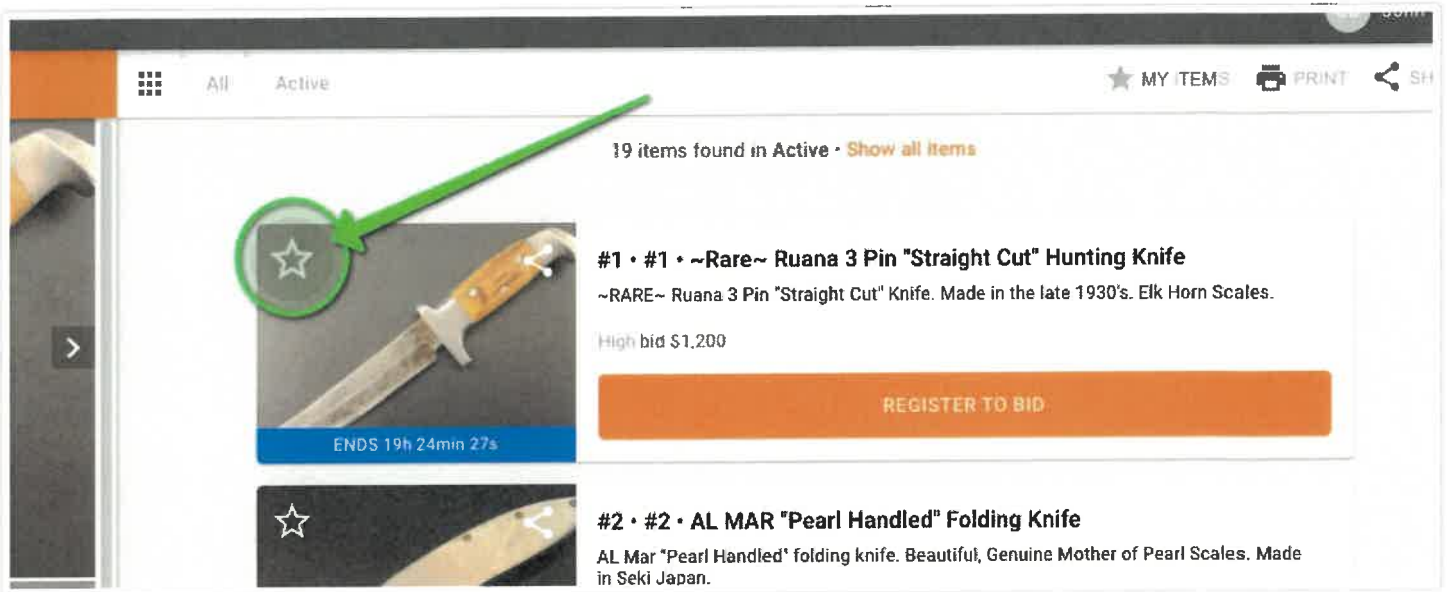

The screenshot shows an auction page for a 'Collectible Knife Auction' by BidWrangler in Harrisonburg, VA, ending on JAN 07 at 9:35a EST. The page is currently viewing the 'Fixed Blade' category. A search bar shows 'Search in Fixed Blade' with 2 items found. The first item is '#1 • #1 • ~Rare~ Ruana 3 Pin "Straight Cut" Hunting Knife', a ~RARE~ Ruana 3 Pin "Straight Cut" Knife made in the late 1930s with Elk Horn Scales, with a high bid of \$1,200 and a bid button for \$1,250. The second item is '#9 • #9 • Ek Australian Bowie Knife', an unused Ek Australian Bowie Knife starting at \$5 with a buy now price of \$170.

Saving Items:

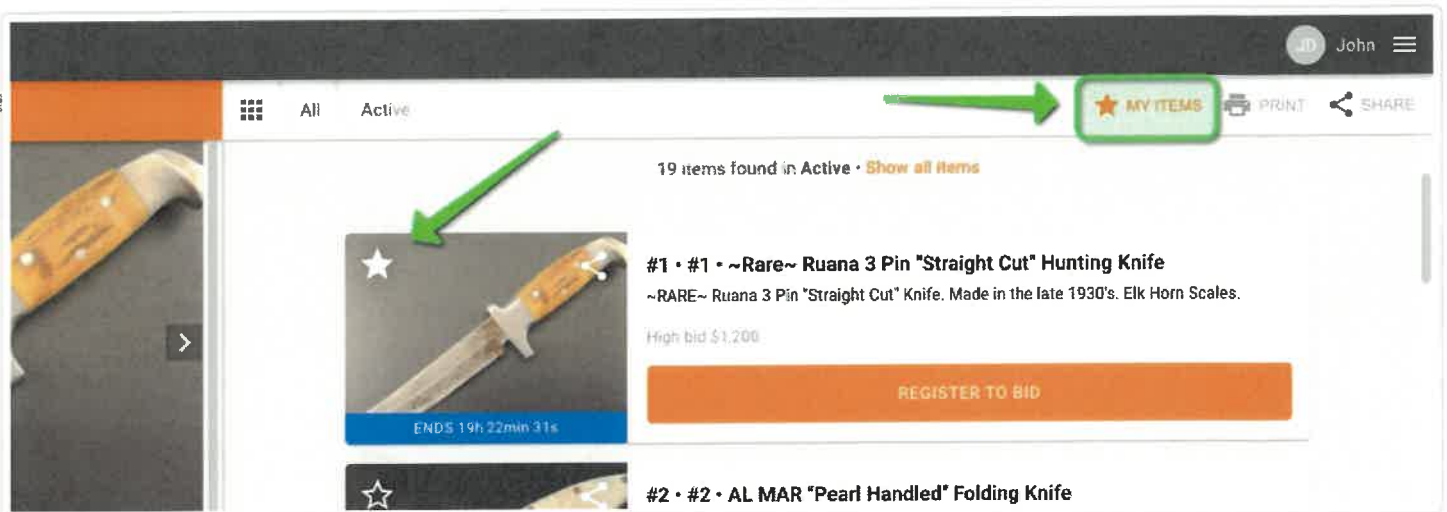

Items can be saved to a personal items list called 'My Items'. To add items to this list, navigate to the auction you're bidding on:

Clicking on "MY ITEMS" takes you to the My Items page, where you can see all your saved items, active items, max bids, and closed items:
