Discover one of the most exciting personal property auctions in recent memory – the second of four auction events from the estate of the late David C.E. Perry. Session 1 opens the vault on Mr. Perry's extensive personal shop, offering up a massive inventory of professional-grade mechanics' tools, vintage equipment, and unique finds that span decades of hands-on craftsmanship and collecting.

This is not just a garage clean-out – it's a once-in-a-generation opportunity to buy from the curated collection of a true tradesman. Whether you're a weekend tinkerer, a seasoned gearhead, or a resale pro looking for high-quality inventory, this auction is your starting line.

This is the SECOND of four sessions to settle the estate. Additional sessions will include antiques, household contents, vehicles, and a real estate auction for a beautiful farm in Bedford County. Stay tuned to our website for all the details!
