-We caution the contractor to verify the accuracy of all quantities and compliance with the project specifications very carefully before submitting your bid and/or placing an order. Should any additional material or material other than as described in this quotation be required, the cost would be extra.

-All purchases conform to and accept Hajoca's terms and conditions of sale.

-Pricing for ductile iron pipe and fittings as well as PVC pipe and fittings contained herein are minimum prices and are based on current costs. Since these costs are directly related to the cost of raw materials, we are forced to provide for increasing our prices based on an indicator of that market.
