(20) 1st calf heifers with calf @ side - Angus, BWF, Simmental X. St. Gertrudis, -these heifers were exposed to a Springfield Angus calving ease Angus bull, medium to large frame cattle, short hair, easy going, at press time there were (12) calves on ground that are might spiffy.

(53) **Bred Heifers** -Angus based heifers, bred to calving ease Angus bulls & X bulls, these heifers will calve @ 2-years of age with largest percentage of these heifers being Black, BWF & a few Smokes, & Red, frame size 5 ¾ , weigh approx. 1200#. All of these heifers are out of proven producers & have EID buttons, most of these should start calving week after sale with some calving winter & early spring, sold with a guarantee to have a live calf. The criteria for E. B. & Shane keeping heifers back as we keep most of the colored heifers - we can bred them to the genetics to get the color that is suitable for us.

(4) 11-month old commercial bulls - (2) Purebred Angus, (2) Purebred Hereford - raised on grass

Note: these heifers & bulls were selected from 550 head+ group, the sibling mates of heifers have performed excellent @ the feed yard with big percentage going into CAB & grading Choice or better.

PROVEN Jr. MATRONS coming w/6th calf- Selling (39) head of proven jr. matrons . This is our entire herd of cows that are '12 year models, due to calve November & December, M & L frame cattle, average weight 1450# & have produced a calf every year in the same time frame- consist of (7) Angus, (10) Angus X, (9) Simmental X, (10) Senepol X, (4) Roam X, (1) P & P. All have excellent udders, good feet, lots of depth & spring in the rib to handle forages, cows sold with a guarantee to have a live calf, all have EID buttons. For the past 5 years everyone of these cows had a calf, got up & protected it from the coyotes - this proves they are protected mothers.

All cattle on annual vaccination Pyramid 5 program, all mature cattle will have EID buttons.

KEEP 'EM KIND - E. B. will again offer the KEEP 'EM KIND option on his cattle. At buyer's option, E. B. will offer to purchase first offspring of his cattle at this sale - steers will carry a \$25.00 premium and heifers will carry a \$50.00 premium above weekly livestock market average. Calves need to be weaned between six to nine months of age & follow a program similar to Southeast Pride Blue Tag requirements. Listen carefully sale day- E.B. could annuity up some more.

Efficiency is what we are raising beef cattle for - here's proof.

If -U- like a splash of color & weaned pounds -here they are in one package.

The calves are for showing what they did for 2020 year

Red Roan X will raise the color calf -U- would like.

Less input = more profit.

There will be several of these P & P cows.

There will be a few smokies in the auction of 1st calf heifers also.

Mother Nature does our clippings - we design them w/short hair to work in the hot, humid weather.

Some come out blue and some red -just like crayons.

Owner's Note: Welcome to our 19th Annual Sale! It again gives us great pleasure to be able to offer cattle that have proven themselves time after time to be good producers & we feel that they will continue to do the same for the new owners. We are using what we think are the best genetics available to produce cattle that will prove maximum performance in cold weather & also perform in the hot humidity in the summer. Please give us a call if you have any questions. We look forward to serving all our returning customers and earning the business of our new customers too. If there is anything we can do to make your experience better, please do not hesitate to contact us. We're grateful for this chance to earn your business.

(2) mammoth jack colts, approx. 4 1/2 months old, (1) approx. 3 yrs. old jenny, all of these born & raised on our farm w/cattle.

**Cattle Sell With A Guarantee
That 's Yet to Be Matched.**

1st calf heifer on target for next 15 years +

These 3 when they come in the sale ring plan to be 6 as new babies will @ their side.

Back porch meals always seem to taste good.

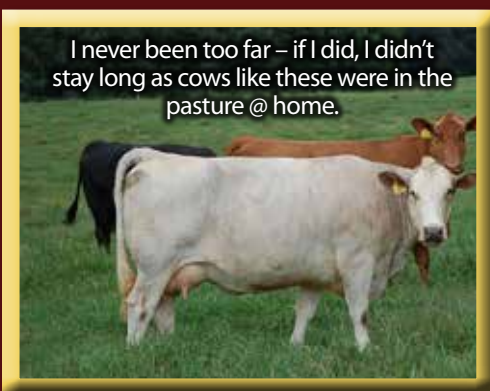

Here is one that will be a traffic stopper when travelers go by your pasture.

-U- can't sell brag, -U-can sell facts.

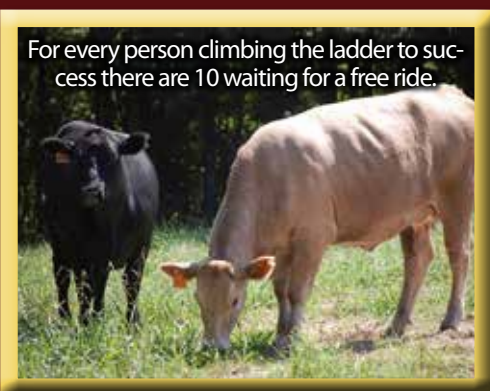

4 quarters of vanilla milk U reckon?

I never been too far – if I did, I didn't stay long as cows like these were in the pasture @ home.

IF there was a grade called "doll baby", E.B. would put her @ top of the class.

For every person climbing the ladder to success there are 10 waiting for a free ride.

This is sample of all our 6th calvers – their race to the finish line is far from over.

So if a cow does not produce milk, is she a "Milk Dud" or "utter failure – neither apply here.

These 1st calf heifers will put offsprings on the ground that pack on the #'s.

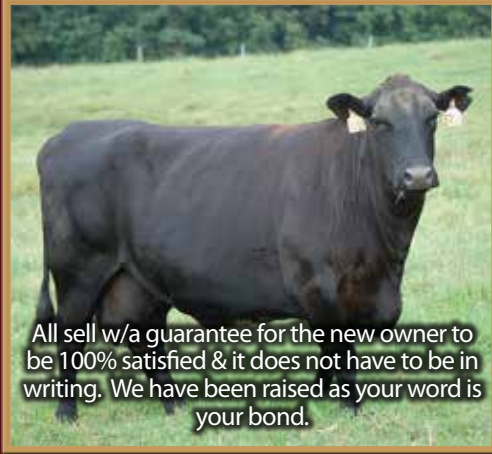

Here 3 days prior to press time.

Buyers @ the stockyard sit on the edge of their seat when smokies come in the sale ring.

All sell w/a guarantee for the new owner to be 100% satisfied & it does not have to be in writing. We have been raised as your word is your bond.

The 5th generation on this farm starts out early & that helps cattle stay gentle.
