Sheppard providing what -U- expect when it comes to green leaf.

When NH built these rakes, I'll venture to say they would still be popular 75 years later.

There will be 2 of these trucks & 5 of these Sheppard beds – you will never smell a clutch here

-U- can take a good machine & make it better – here's what the Dupree family has done - 4 of these field ready.

Stoltzfus feeder wagon gives your cattle that extra edge.
