Auction Service"***

NCAL 1468

NC#C 4264

VAL 146

SCAL 3895

No secret to hard work – DMI 7-shank

Is it time to change horses – '95 Chevrolet, 151K miles, it's just beginning to ride good.

This auction will have the size -U-need – 7' or double the size for big jobs – 14'

When Buick made these Park Avenue they exceeded their expectations – just 108K miles.

There is a MF 18' & 21' on this auction & like the rest of Davenport's equipment, -U'll like.

**Terms & Conditions:** All purchases must be paid for sale day. All property sells as is where is with all faults, with absolutely no warranties implied or expressed in any way. All Serial Numbers, mileage & hrs. unverified. All info printed in brochure is believed to be correct but not guaranteed. The auction company reserves the right to offer property in separate sales, combinations thereof or as a whole.

**Sales Tax Info** – We are now required to charge NC Sale Tax at our sales. If you do not have a completed sales tax exempt on file, you will be charged NC Sales Tax.

I've seen bins like this put to many uses – gazebos & the such & easy to move to boot.

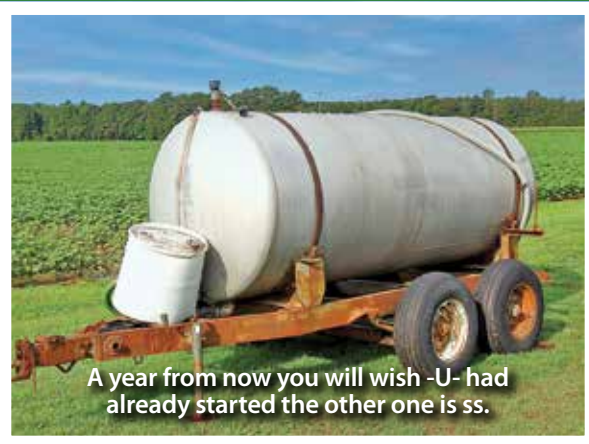

When they are all gone they are gone – (3) 40'.

Buy the best – there will be (2) on this auction – Labor Day 5th September.

When – U- talk to Charles ask him the difference in the material weigh of the FCX as they stack up against other brands.

A year from now you will wish -U- had already started the other one is ss.

JD 850 only 2774 hrs. – it has had an easy work load- only cut grass on one estate since new.

Gehl 95 – a rare find – been shed kept & appears minus the salt.

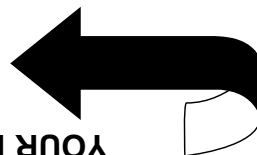

Check out (2) feed tanks, grain bins & incinerator @ 316 Vineland Rd. Lawrenceville, VA, close to Valentine– they will be auctioned from the Davenport Farm, Garysburg, NC.

This spreader is slightly used & another one will be sitting beside so -U- can compare.
