(18) 1st calf heifers with October calf @ side - Angus, BWF, Simmental X, & Gertrudis X, –these heifers were exposed to a Springfield Angus calving ease Angus bull, medium to large frame cattle, short hair, easy going, at press time there were (14) calves on ground that are mighty spiffy.

(45) Bred Heifers -Angus based heifers, bred to calving ease Angus bulls or Wagyu bulls, these heifers will calve @ 2-years of age with largest percentage of these heifers being Black, BWF & a few Smokes, & Red, frame size 5 ¾, weigh approx. 1200#. All of these heifers are out of proven producers & have EID buttons, most of these should start calving week after sale with some calving winter & early spring, sold with a guarantee to have a live calf. The criteria for E. B. & Shane keeping heifers back as we keep most of the colored heifers – we can breed them to black bull & get black calves if we desire.

(2) 11-month-old commercial composite bulls that are out of dams on the sale, sired by forage bull that is 2/3 body, 1/3 legs, fly resistant, easy disposition, they will sire calves that will perform well on forages.

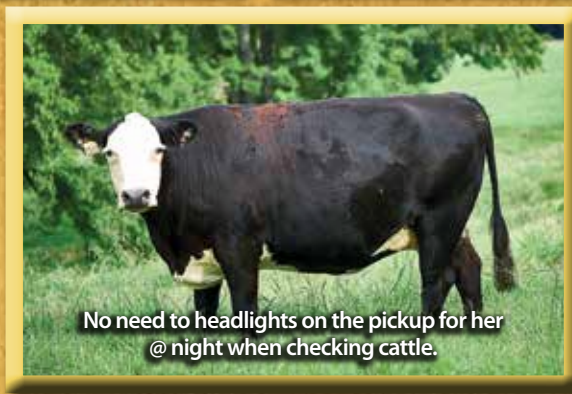

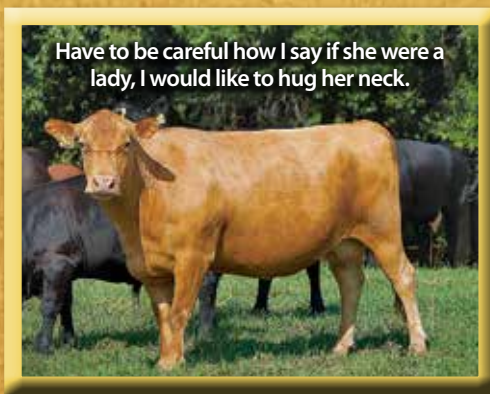

Note: these heifers & bulls were selected from 550 head+ group, the sibling mates of heifers have performed excellent @ the feed yard with big percentage going into CAB & grading Choice or better.

PROVEN Jr. MATRONS coming w/6th calf– Selling **(45)** head of proven jr. matrons. This is our entire herd of cows that are '15 year models, due to calve November & December, M & L frame cattle, average weight 1450# & have produced a calf every year in the same time frame- consist of Angus, Angus X, Simmental X, Senepol X, P & P, & St. Gertrudis X. All have excellent udders, good feet, lots of depth & spring in the rib to handle forages, cows sold with a

guarantee to have a live calf, all have EID buttons. For the past 5 years every one of these cows had a calf, got up & protected it from the coyotes – this proves they are protected mothers.

All cattle on annual vaccination Pyramid 5 program, cattle will have EID buttons.

KEEP 'EM KIND E. B. will again offer the KEEP 'EM KIND option on his cattle. At buyer's option, E. B. will offer to purchase first offspring of his cattle at this sale – steers will carry a \$25.00 premium and heifers will carry a \$50.00 premium above weekly livestock market average. Calves need to be weaned between six to nine months of age & follow a program similar to Southeast Pride Blue Tag requirements. Listen carefully sale day– E.B. could annuity up some more.

OWNER'S NOTE:

Welcome to our 21st Annual Sale!

It again gives us great pleasure to be able to offer cattle that have proven themselves time after time to be good producers & we feel that they will continue to do the same for the new owners. We are using what we think are the best genetics available to produce cattle that will prove maximum performance in cold weather & also perform in the hot humidity in the summer. Please give us a call if you have any questions. We look forward to serving all our returning customers and earning the business of our new customers too. If there is anything we can do to make your experience better, please do not hesitate to contact us. We're grateful for this chance to earn your business.

Also Selling (4) Jack colts, 4- 5 months of age.

She has done the right number for 5 years – hopefully she will have 5 more.

For sure there will be one frosty – blends right in when Jack comes along.

Want to make a bad day into a good day? Just go to the cow pasture.

Back door meals are always tasty

Improvements will be built on gains from the past.

This is just part of what we strive for – tight strutting udders.

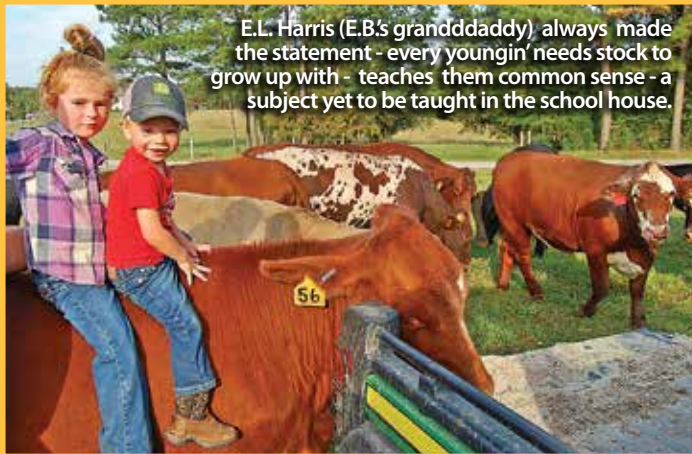

If he likes his kin folks a coyote will never stand a chance

A pure dolly baby.

Gemma & Wesley have plans to lead this little donkey in the ring sale day.

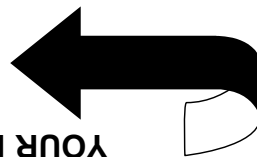

E.L. Harris (E.B.'s grandddaddy) always made the statement - every youngin' needs stock to grow up with - teaches them common sense - a subject yet to be taught in the school house.

All larger calves in photos represent the fall 2021 calf crop - sell in the future.
