**Selling (105) Head of cattle** – predominately Black Angus, a few BWF, all forage based cattle, average 1200#, cow/calf pairs, bred heifers & bred cows, good feet, good udders, age first calf heifers up to mature cows, once a week they are given brewers grain to come to catch pen, annually vaccinated with Blackleg & 9-way, dewormed with pour on, herd was founded approximately 50 years ago, used Fleckvieh bulls from Preston Cornelius & Al, in the last 20 years has used proven Angus bulls. Cattle will be preg-checked by vet. These cattle have been very productive on grasses. They will be the kind that will produce a calf with low inputs. View cattle on Friday 2nd December 1:00 – 4:00 PM & sale day morning. Visit [www.ebharris.com](http://www.ebharris.com) for more info & sale order posted Friday afternoon.

Tony used eye appeal & it shows right here.

Should be some 3-n-1 on this sale.

If grass and hay are your main forages for cattle, these cattle have enough volume & capacity to handle forages.

Cattle #5 in the US are the lowest they have been since 2016 – looks like we are in for a good ride.
