Anywhere, anytime – KMC 8-row is the first of choice.

Been walking the floor over being efficient, well sleep well w/Tharrington barns doing the curing.

Flowers make people feel alive, a 8-row carousel will pay the bills.

Ideas control the world – this is a good one right here.

Are-U- searching for a long-term relationship? This 7730 could be the one.

Toyota lift truck – lift a little higher till-U- find what-U- want.

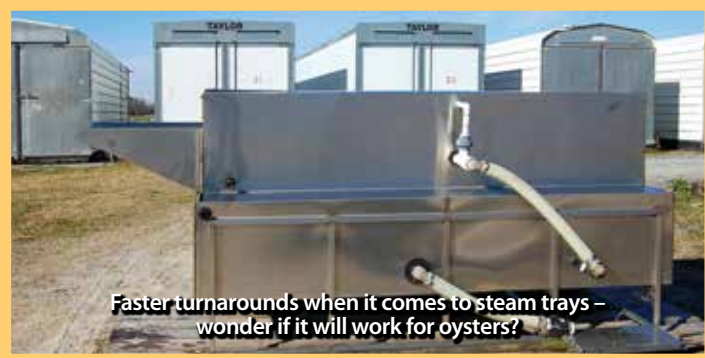

Seed that come out of a tender w/a brush auger may have a little better germination rate.

Granville live box – try it, -U- will like it.

This Granville tumbler will do wonders for your crop beyond your wildest expectations.

Faster turnarounds when it comes to steam trays – wonder if it will work for oysters?

I have been told that it will pull 19 barns a day by a man that's got one.

After the rooster crows this rig will be putting out the precise amount.

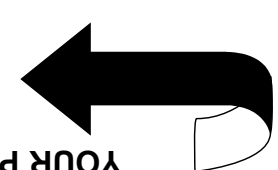

CTS has a full time day job in the tobacco crops.

Some folks go the beach, some folks operate a 6000 - both of them get a tan.

There's a light at the end of the tunnel & it's not a train coming.
