The breed that regroups around the work.

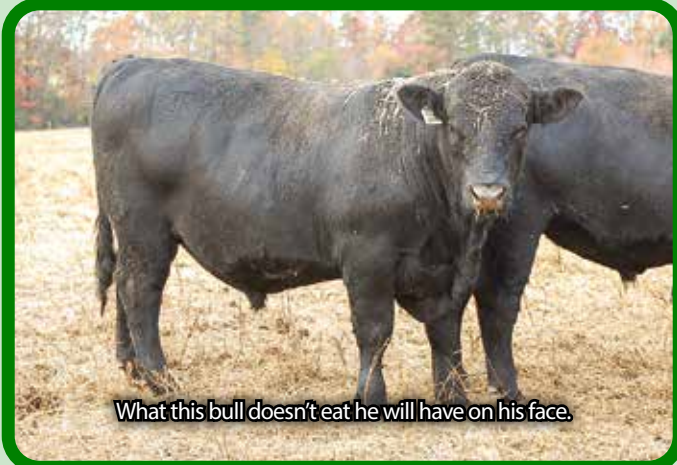

CAB program is what it's all about & here is a leader.

If - U - need bulls to add pounds to your herd.

It's a good thing they have ear tags.

What this bull doesn't eat he will have on his face.

These 2-yr. olds are ready for heavy work.

Coming or going they all look good.

Be (40) of these yearlings looking for a new zip code.
