When you see Gemma & Wesley (Shane's children) ask them about the good times they have tagging calves w/JD gator.

JD 1730 – call it like new has been rebuilt & never put in the field.

Shoats will have to look long & hard to find an ear behind this 893.

When the rooster crows this 8120 will already be @ work.

When -U- want the right rate per acre look @ KBH.

Back in the 40's & 50's E.B.'s granddaddy would rent out goats to clean up land - what would he be able to achieve w/this 6715 w/long arm?

Just in time for the '24 crop year - 4070

If the world is fueled on beans & wheat make sure there is enough - use a 1790, 24 row, 20"

Strong enough to push a wagon uphill - JD 590M w/only 169 hrs.

'18 XLT - nice enough to take the family to town on the weekend.

Make sure -U- are in a cab if -U- stir up a hornet's nest.
