

FARM EQUIPMENT AUCTION

Johnny Watson

Saturday, 10th February, 2024 • 10:00am Raleigh, NC

DIRECTIONS: Being on Hwy. 401 north of Raleigh and south of Rolesville, take Forestville Rd. east for 5½ miles, sale on right. Watch for signs.

SALE SITE ADDRESS: 6200 Forestville Rd. – Raleigh NC

AUCTIONEER'S NOTE

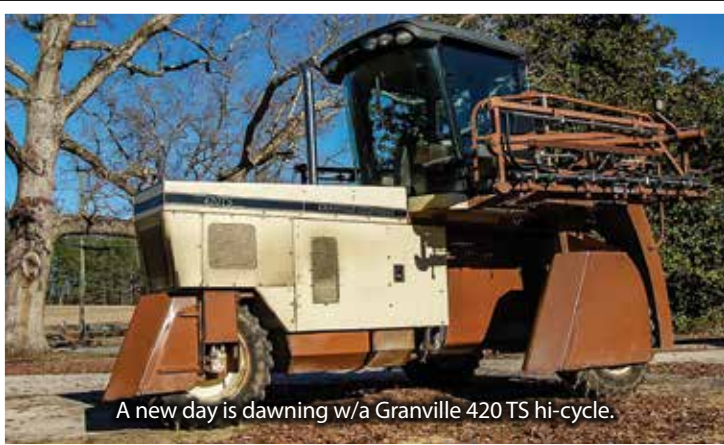

Due to intense development pressure & continued loss of farmland Johnny is relocating his tobacco operation outside of Wake County where he has plenty of farm land and tobacco barns. He is changing over to 8-row equipment & will continue farming other crops in Wake County.

For more info call Johnny Watson 919-819-5509.

2nd Note: Wendell Lake Farms (Randy Edwards) is making some equipment updates and will also have equipment at this sale.

Put a 6210R in your iron registry

A new day is dawning w/a Granville 420 TS hi-cycle.

Be 3 of these 7220's – they are ideal for future in many applications.

Bid online @ebharris.com or in person @ sale site

TERMS & CONDITIONS: All purchases must be paid for sale day. All property sells as is where is with all faults, with absolutely no warranties implied or expressed in any way. All Serial Numbers, mileage & hrs. unverified. All info printed in brochure is believed to be correct but not guaranteed. The auction company reserves the right to offer property in separate sales, combinations thereof or as a whole. Announcements made day of sale take precedence over printed material.

Sales Tax Info – We are now required to charge NC Sales Tax at our sales. If we do not have a completed sales tax exempt on file, you will be charged NC Sales Tax.

The test of good judgement is not what -U- pay but what -U- get.

Low profile tires – U- can leave the kitchen stool in the house for this greenhouse tray hauler.

Yep fresh out of the greenhouse.

Krause disc meets all the tillage needs on the farm.

If -U- would like a "lil" different row spacing on this Ferrair setter, Johnny will have several empty tool bars on this auction.

When -U- look @ address it says a lot why this auction is happening (being that it says Raleigh).

U'll be able to reach from here to yonder w/6" ring lock pipe.

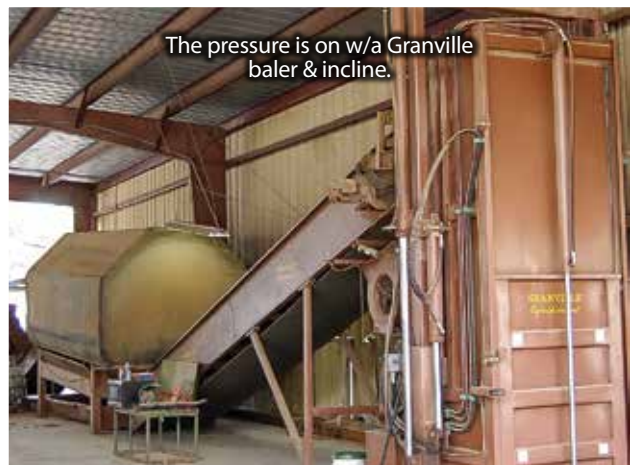

Demand more yield w/a stainless steel fertilizer tender.

Press on w/a 7230R.

Drop the suction line over in the swimming hole & the JD diesel w/254 hrs. & pump will show who's been swimming naked.

The pressure is on w/a Granville baler & incline.

This 4730 has 100' booms that have been used only 1 season.

The road to success has no short cuts when it comes to harvesting tobacco – Granville 2-row stripper.
