Could be the right choice – JD 7830.

JD may have gone back in the engineering department when they built the 4020 & used the same principles these 7810's last & last.

Be 2 of these 6700's.

Long days made into short days w/MX 255.

U- don't know if U- haven't tried one – U'll like a Granville for sure.

## Auctioneer's Note

**Hal & Steve Lawrence** are having a complete dispersal of their tobacco equipment operation. Here is equipment that will give you a lot more hours of useful service.

**For more info call Hal @ 252-395-1631 or Steven @ 252-287-2897**

Knot all balers are the same.

Tumble that tobacco for just the right grade.

By the ton or by the hr. loading ramps like this are efficient.

Be 5 of these vans – 48 & 53' road ready.

If -U- are so tired -U- passed yourself in the yard & did not know who -U- were, -U- need some Granville live boxes at harvest time.

If it's not right – CTS will make harvest right – 2 of these.

Crank out acres w/6500 & 4-row topper.

If-U- have been pushing the wagon uphill, it will be easier pully a Sheppard

No matter what the crop these Ford pickups will be ready.
