(20) 1st calf heifers with October calf @ side - Angus, BWF, Simmental X, & St. Gertrudis X—these heifers were exposed to a calving ease Knollcrest Angus bull, medium to large frame cattle, short hair, easy going,

(40) Bred Heifers - Angus based heifers, bred to calving ease Black bulls, these heifers will calve @ 2-years of age with largest percentage of these heifers being Black, BWF & a few Smokes, & Red, frame size 5 $\frac{3}{4}$, weigh approx. 1200#. All of these heifers are out of proven producers & have EID buttons, most of these should start calving week after sale with some calving winter & early spring, sold with a guarantee to have a live calf. The criteria for E. B. & Shane keeping heifers back as we keep most of the colored heifers – we can breed them to black bull & get black calves or if need keep them red.

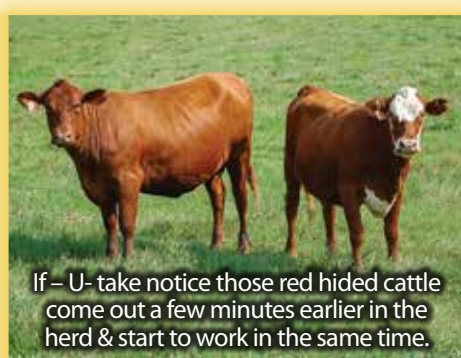

(2) 11-month-old purebred commercial Angus bulls, that are out of dams on the sale, sired by forage bull that is 2/3 body, 1/3 legs, fly resistant, easy disposition, they will sire calves that will perform well on forages.

Note: these heifers & bulls were selected from 550 head+ group, the sibling mates of heifers have performed excellent @ the feed yard with big percentage going into CAB & grading Choice or better.

PROVEN Jr. MATRONS coming w/6th calf– Selling **(37)** head of proven jr. matrons. This is our entire herd of cows that are '17-year models, due to calve November & December, M & L frame cattle, average weight 1375# & have produced a calf every year in the same time frame- consist of Angus, Angus X, Red Angus, Simmental X, P & P. All have excellent udders, good feet, lots of depth & spring in the rib to handle forages, cows sold with a guarantee to have a live calf, all have EID buttons. For the past 5 years every one of these cows had a calf, got up & protected it from the coyotes – this proves they are protected mothers.

All cattle on annual vaccination Pyramid 5 program, cattle will have EID buttons. Cattle have been kept in electric fence, some have been exposed to a one-strand electric poly wire.

KEEP 'EM KIND – E. B. will again offer the KEEP 'EM KIND option on his cattle. At buyer's option, E. B. will offer to purchase first offspring of his cattle at this sale – steers will carry a \$25.00 premium and heifers will carry a \$50.00 premium above weekly livestock market average. Calves need to be weaned between six to nine months of age & follow a program similar to BQA requirements. Listen carefully sale day– E.B. could annuity up some more.

Owner's Note: Welcome to our 23rd Annual Sale! It again gives us great pleasure to be able to offer cattle that have proven themselves time after time to be good producers & we feel that they will continue to do the same for the new owners. We are using what we think are the genetics available to produce cattle that will prove maximum performance in cold weather & also perform in the hot humidity in the summer & utilize fescue & Bermuda. Please give us a call if you have any questions. We look forward to serving all our returning customers and earning the business of our new customers too. If there is anything we can do to make your experience better, please do not hesitate to contact us. We're grateful for this chance to earn your business.

Also Selling (2) Jack colts & (2) jennys, 4- 5 months of age.

INSPECTION –FRIDAY AFTERNOON 8th NOVEMBER & SALE DAY MORNING. Come take a look – you will not be disappointed.

Cattle Sell With A Guarantee That's Yet to Be Matched.

Looking @ her udder, when she comes in the ring she will have a baby @ side (update = already here)

Heart of the herd.

If you prefer straight Angus, they will be there also.

By auction day 9th November this calf will be pushing 200#.

If our cows have ever been in this good of condition I can't remember when. We have had an abundance of rain.

Take note the heifer calves have orange tags & tagged in the correct ear.

These 6th calvers are on the Davis Homeplace farm – Bugg Davis Rd. Have been since they were 1st calf heifers.

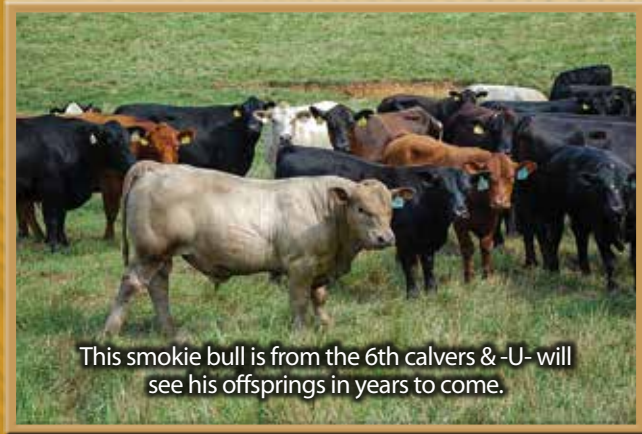

If you have a coyote problem, this BWF will ease your pain.

A "lil" chrome goes a long way.

If these Star 5 don't light your fire,
your matches are wet.

This smokie bull is from the 6th calvers & -U- will
see his offsprings in years to come.
