THE BEEF CHECKOFF

Now Working Twice as Hard for YOU

- Nationally and at Home

Have You Sold Cattle on the Farm?

If so, be sure to send in your checkoff investment.

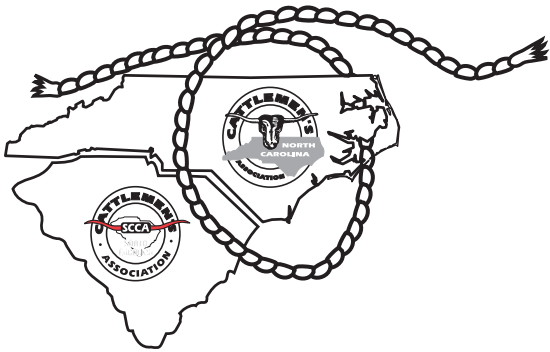

- It's the LAW to pay the National \$1.00 Checkoff per head on all cattle sold.
- It's a wise investment to contribute to the North Carolina Cattle Industry \$1.00 Assessment per head on all cattle sold.

The National (\$1.00) Checkoff and the State (\$1.00) Assessment provides funds needed to help promote beef and the cattle industry. The Beef Checkoff program is run by producers like you and has played a vital role in increasing the demand for beef. The North Carolina Cattle Industry Assessment supports youth activities, promotion, issues management, research, and education.

EFFECT OF SIRE BREED ON SALE PRICE OF BEEF STEER CALVES Superior Livestock Auction, Summer 2020*

SimAngus™-sired steer calves sold through Superior Livestock Auction in summer 2020 earned **more at sale** time than all other calves*.

It's no wonder the percentage of **SimAngus™** calves marketed through the industry's largest video auction has grown **eightfold** since 2010.

Want low-risk, high-potential calves with earning potential?

* For lots of 50 head or more. † Kansas State University, December 2016, Superior Livestock Auction data analysis of 3,388 lots, 194,900 head of beef calves marketed during summer 2020. (P<.0001)
** Lots that qualified for breed-related programs were excluded from the analysis due to potential confounding effects with sire breed analysis and, for many, few lots in the data.
*** Mores without a common superscript differ (P<.05). Lots of calves in breed-identified groups were sized by bulk from the respective breeds and cut of claim with the Brakman influence.
