(20) 1st calf heifers with October calf @ side - Angus, BWF, Simmental X, & Star 5—these heifers were bred to Angus CE Knollcrest bull, medium to large frame cattle, short hair, easy going,

(37) Bred Heifers -Angus & Star 5 based heifers, bred to calving ease bull or composite CE bull – some Pharo influence, these heifers will calve @ 2-years of age with largest percentage of these heifers being Black, BWF & a few Smokes & Red, frame size 5 $\frac{3}{4}$, weigh approx. 1200#. All of these heifers are out of proven producers & have EID buttons, most of these should start calving week after sale with some calving winter & early spring, sold with a guarantee to have a live calf. The criteria for E. B. & Shane keeping heifers back as we keep most of the colored heifers – we can breed them to black bull &

get black calves.

Note: these heifers were selected from 550 head+ group, the sibling mates of heifers have performed excellent @ the feed yard with big percentage going into CAB & grading Choice or better.

PROVEN Jr. MATRONS coming w/6th calf– Selling **(36)** head of proven jr. matrons. This is our entire herd of cows that are '18-year models, due to calve November & December, M & L frame cattle, average weight 1375# & have produced a calf every year in the same time frame- consist of Angus, Angus X, Red Angus, Simmental X, P & P. All have excellent udders, good feet, lots of depth & spring in the rib to handle forages, cows sold with a guarantee to have a live calf, all have EID buttons. For the past 5 years every one of these cows had a calf, got

up & protected it from the coyotes – this proves they are protected mothers.

All cattle on annual vaccination Pyramid 5 program, cattle will have EID buttons. Cattle have been kept in electric fence; some have been exposed to a one-strand electric poly wire.

KEEP 'EM KIND – E. B. will again offer the KEEP 'EM KIND option on his cattle. At buyer's option, E. B. will offer to purchase first offspring of his cattle at this sale – steers will carry a \$25.00 premium and heifers will carry a \$50.00 premium above weekly livestock market average. Calves need to be weaned between six to nine months of age & follow a program similar to BQA requirements. Listen carefully sale day– E.B. could annuity up some more.

Hides that are slick as glass.

Eeny meeny miny moe– my mother told me to pick one.

Red dolls get in the sun & keep on working.

This can be on anyone's farm after the 8th of November.

This 1st calf heifer may have a black calf on sale day.

She will grow -U- a scale masher.

Now is the time.

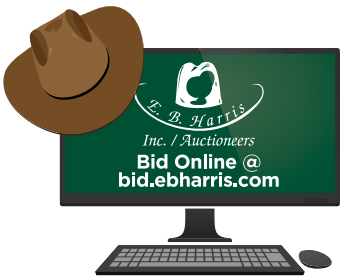

Owner's Note: Welcome to our 24th Annual Sale! It again gives us great pleasure to be able to offer cattle that have proven themselves time after time to be good producers & we feel that they will continue to do the same for the new owners. We are using what we think are the best genetics available to produce cattle that will prove maximum performance in cold weather & also perform in the hot humidity in the summer. Please give us a call if you have any questions. We look forward to serving all our returning customers and earning the business of our new customers too. If there is anything we can do to make your experience better, please do not hesitate to contact us. We're grateful for this chance to earn your business.

Also Selling (2) Jack colts,
4- 5 months of age.
