Dryer, wet tank, bins set up like this lets -U- hit the best markets.

When the company asks for a short turn over, this cruster will help pay check be bigger.

JD 5415 – watcha goanna do now?

I've been told it's mighty hard to tell from a brand new one – Brandt 1060 HP.

If your ice tea has been spilling out of the cup on the side of the hill, this JD S660 Hilco changes that.

Flies are not half as bad if -U- run this spreader cold weather.

Harvesting bliss right here & there is going to be 2 of them.

Just in case there's a speed bump that needs to be moved.

JD 1790 has all the options to count every seed & help make them productive.

Handle the older teenager cows w/a Filson.

Want to change a good harvest to excellent, have a JD 625 header in the crop.
