If -U- could change them other than the address, tell me what.

She may have written the book on capacity.

She's got that look saying -U- talking to me.

Heterosis @ it's top of the line.

It's not all about the females but close.

Truck load lot – 80 head 7 wt. steers sale on the farm from the arena.

Note: This is a rare opportunity to buy this kind of genetics to take home or send to the feed yard, whichever you choose. These are very uniform cattle. This is over 32 years of data & selective breeding for farmers to take home & have a great herd from to last for many decades to come.

Check internet on Friday for sale order & have the ones you want marked.
