Comments

This is an attractive building site located northeast of Marion. It includes a mixture of income producing cropland, creek and trees. Some of the timber is in a CRP program that provides income. This would make an ideal building site and will provide recreational opportunities with an abundance of deer and turkey.

Additional Land for Sale

Seller has an additional tract of land for

sale located south of this property. See Additional Land Aerial Photo.

The information gathered for this brochure is from sources deemed reliable, but cannot be guaranteed by Hertz Real Estate Services or its staff. All acres are considered more or less, unless otherwise stated. All property boundaries are approximate. Soil productivity ratings are based on the information currently available in the USDA/NRCS soil survey database. Those numbers are subject to change on an annual basis.
