Farm Access

There is access to the farm on the southeast corner of the property. See Access Map for details.

Easement

The building site east of the property has a shared driveway north of the house. See Access Map for details.

Comments

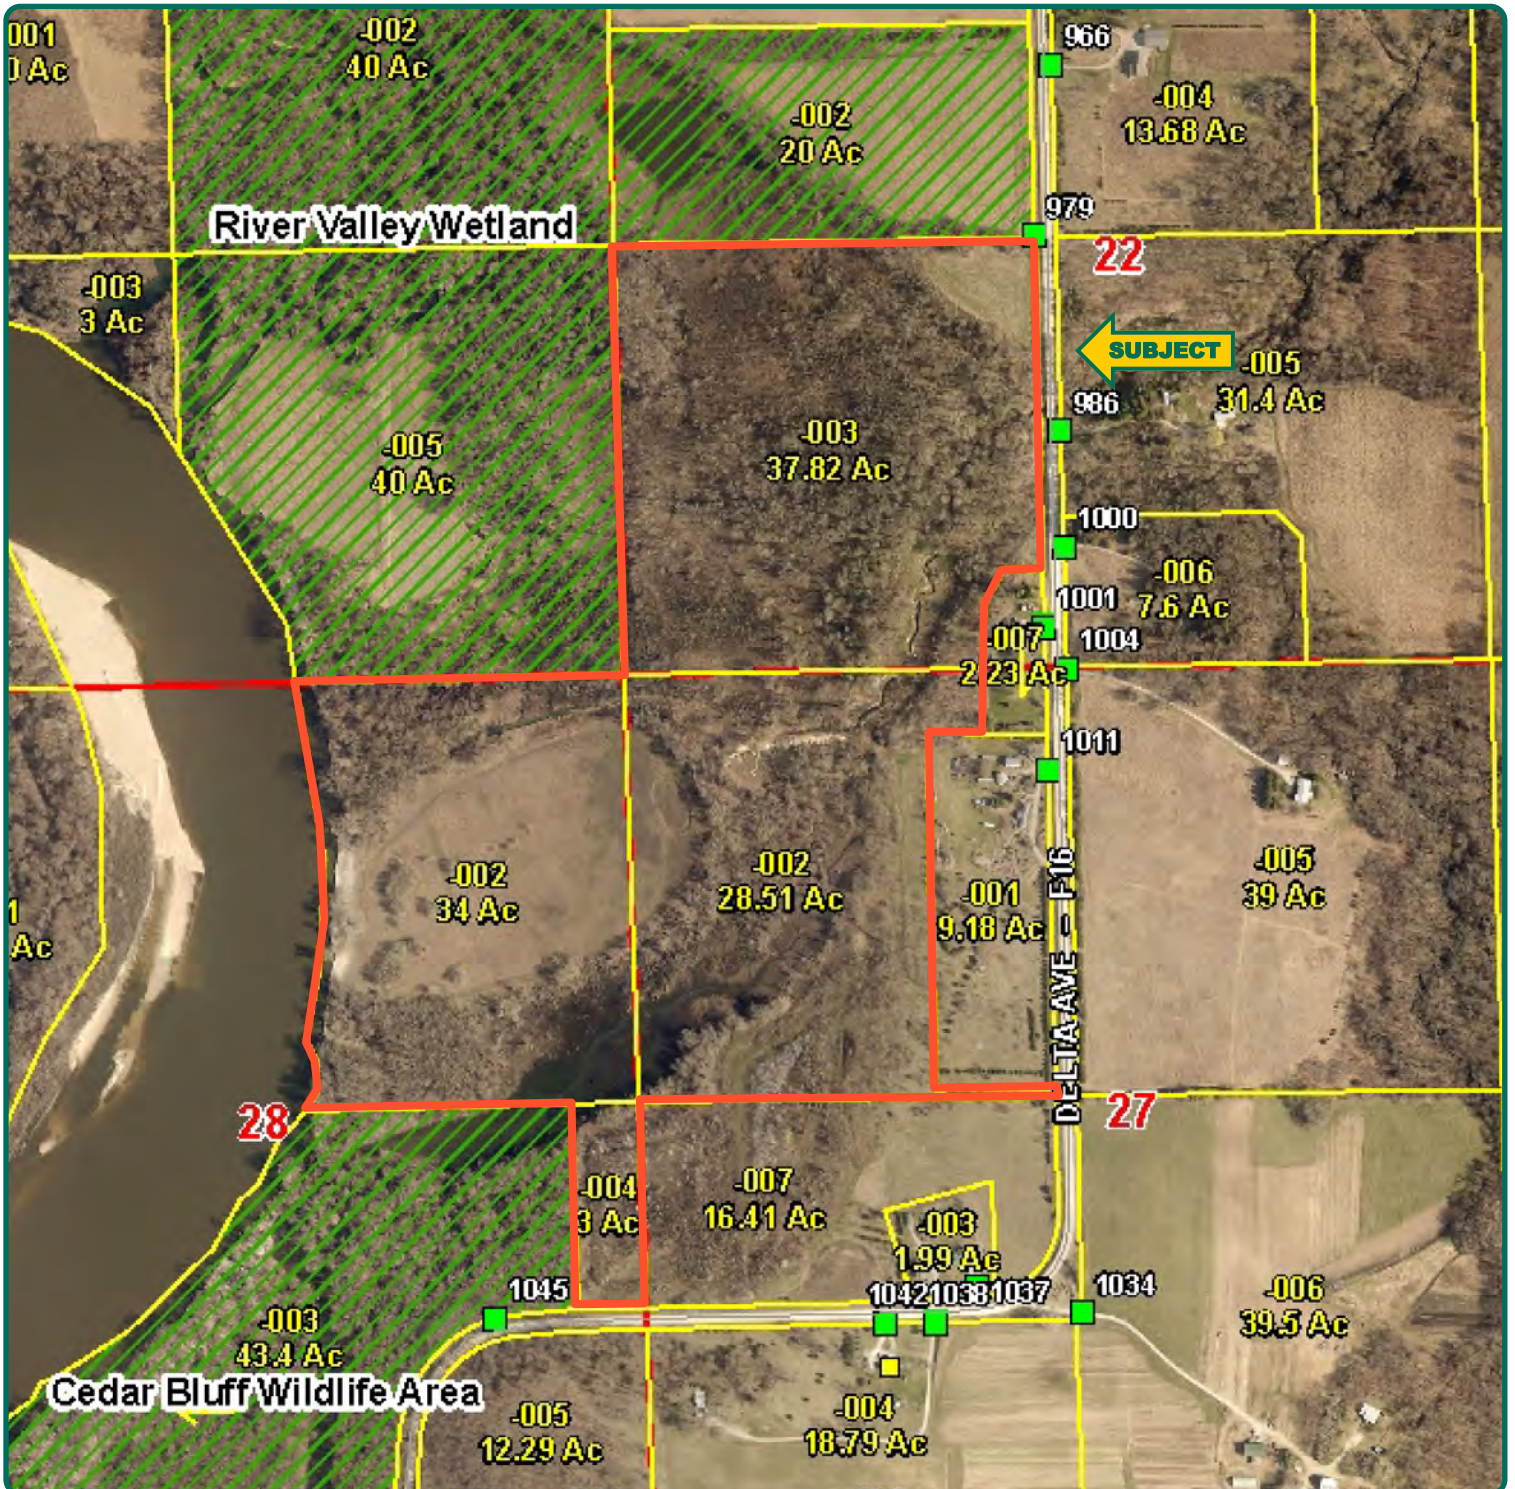

This is a rare recreational farm situated between two public hunting areas including the River Valley Wetland and the Cedar Bluff Wildlife Area. It provides diverse benefits with Cedar River frontage, a potential building site, and is enrolled in two government programs including the Wetland Reserve Program (WRP) and the Forest Reserve.

The information gathered for this brochure is from sources deemed reliable, but cannot be guaranteed by Hertz Real Estate Services or its staff. All acres are considered more or less, unless otherwise stated. All property boundaries are approximate. Soil productivity ratings are based on the information currently available in the USDA/NRCS soil survey database. Those numbers are subject to change on an annual basis.
