Comments

This is a well-maintained, beautiful northeast Iowa property with timber and river frontage in the back, away from the road, providing excellent wildlife habitat. Productive cropland provides excellent income. The information gathered for this brochure is from sources deemed reliable, but cannot be guaranteed by Hertz Real Estate Services or its staff. All acres are considered more or less, unless otherwise stated. All property boundaries are approximate. Soil productivity ratings are based on the information currently available in the USDA/NRCS soil survey database. Those numbers are subject to change on an annual basis.
