None.

Comments

Property is located less than 5 miles from corn, ethanol, and soybean processing facilities. This property has high soil productivity with natural drainage.

The information gathered for this brochure is from sources deemed reliable, but cannot be guaranteed by Hertz Farm Management or its staff. All acres are considered more or less, unless otherwise stated. All property boundaries are approximate. Soil productivity ratings are based on the information currently available in the USDA/NRCS soil survey database. Those numbers are subject to change on an annual basis.
