Water & Well Information

There are two wells that service the property. One well is located near the southeast corner of the three-stall garage. The other well is located east of the house next to an outbuilding.

Survey

Property will be surveyed at Seller's expense to remove acreage from farmland. Final sale price will not be adjusted up/down based on final surveyed acres.

The information gathered for this brochure is from sources deemed reliable, but cannot be guaranteed by Hertz Farm Management or its staff. All acres are considered more or less, unless otherwise stated. All property boundaries are approximate. Soil productivity ratings are based on the information currently available in the USDA/NRCS soil survey database. Those numbers are subject to change on an annual basis.
