There is a ¾ pond located in southwest portion of the property.

Survey

At Seller's expense, the property will be surveyed prior to closing. Final sale price will be adjusted up/down based on final gross surveyed acres.

Comments

Mixed-use farm with rolling terrain, timber, and a pond. 40.00 acres m/l, of CRP will expire this fall and can be put into row crop production.

Additional Land for Sale

Seller has two additional tracts of land for sale. One tract is located north of this property and the other tract is located south of this property. See Additional Land Aerial Photo.

The information gathered for this brochure is from sources deemed reliable, but cannot be guaranteed by Hertz Real Estate Services or its staff. All acres are considered more or less, unless otherwise stated. All property boundaries are approximate. Soil productivity ratings are based on the information currently available in the USDA/NRCS soil survey database. Those numbers are subject to change on an annual basis.
