### Land Description

This is a level lot.

### Drainage

The drainage is natural.

### House

The acreage includes a well-maintained two-story house originally built around 1900 with 2,200 finished square feet of living space. The main level consists of an eat-in kitchen with wood cabinetry, living room with built-in entertainment center, sun room, bedroom with walk-in closet, a full bathroom and a three-quarter bathroom, and a laundry room. On the second level, there are four bedrooms. The southwest bedroom does not have a closet. The basement has a limestone foundation and includes a newer furnace, hot-water heater, pressure tank and breaker box. A nice breezeway connects the home to the two-stall garage.

### Outbuildings

There is a 30' x 45' machine shed that was built in 2015 with 14' side walls. Other outbuildings include a 28' x 58' flat barn (1920), a 32' x 35' utility building (1920), a 26' x 38' utility building (1920), a 14' x 65' insulated wood shop with LP heater (1900) and a 11' x 14' lean-to (1950).

### Water & Well Information

The well is located northwest of the house. There is an older well near the livestock barn that is not in use.

### Septic System

The septic system is located north of the house. The current septic system has failed the Time of Transfer Inspection. A new septic system will be installed prior to closing.

### LP Tank

There are three LP tanks north of the shop and a smaller LP tank by the detached garage. These LP tanks will be sold with the property. Buyer to reimburse Seller for any remaining LP at closing.

### Comments

This is an attractive farm house located north of Center Point with nice outbuildings for storage or livestock.
