

AUCTION REMOVAL INSTRUCTIONS

Due to limited space for trucks and trailers, we will be operating with SCHEDULED pick-up times. Please read carefully:

1. SMALL ITEMS

A. Small items that can be hand carried to your vehicle where it is parked may be removed on Saturday immediately following the auction. (You will NOT be able to drive your vehicle down either driveway on Saturday. Access to either driveway IS NOT available on Saturday).

B. Please bring your own packing supplies (boxes, paper, bubble wrap, tape, etc.).

2. LARGE/HEAVY ITEMS

A. Items that need access to either driveway, that require hand trucks, moving blankets, or more than one person to move will have a scheduled removal date and time assigned after the auction.

B. Buyers are responsible for bringing their own moving help and equipment.

C. No staff will be available to assist with lifting, loading, or transporting items.

GENERAL INFORMATION

Once you pay for your items you will be directed to a table to schedule your load out. Load out will be available Sunday, September 21st through Sunday, September 28th, with the exception of Tuesday, September 23rd. If you have any issues with this timeframe, call Steve Slocumb at 478-957-4283 to make other arrangements.
