WAIVER OF CHEMICAL QUALITY TEST PRIOR TO CONVEYANCE

Buyer(s) hereby acknowledges that Buyer(s) is aware that the property Buyer(s) intends to purchase will be served by a private water supply system as the source of domestic water; that water quantity is most important for residential use of property; and Section 34-2-102(b) of the Baltimore County Code requires Seller(s) to provide a well with a supply of water meeting certain chemical quality requirements. Nevertheless, Buyer(s) specifically **elects to waive** the requirement that the well on the property to be purchased by Buyer(s) must be tested to determined whether same satisfies the **chemical quality standards** of the Baltimore County Code prior to settlement and/or the date of conveyance to Buyer(s), whichever shall first occur, and Buyer(s) elects to accept conveyance of the property located at 13500 Blenheim Road N., Phoenix, MD 21131 Election District 10 consisting of 2.0 +/- acres without the test for chemical quality as provided by law, and knowingly and voluntarily executes this Waiver on this 30th day of July, 2026.
