All persons attending the auction and inspecting the property assume all risks whatsoever of damage or loss to person and property and specifically release the Auctioneer from all liability. Auctioneer is not liable by reason of any defect in, or condition of, the property or the premises on which the preview/sale is held. Auctioneer is released for any claims or actual damage to the property sold and/or consequential damages that may result from the sale of defective property.

winning bid is accepted. Bidder must be 18 years of age or older and is required to register for the auction. In registration, Bidder must submit information found to be current, complete and accurate for proper identification by Auctioneer. Bidder's registration is not transferable or assignable. Auctioneer reserves the right to deny or restrict any bidders registration with or without cause. Bidder must register to participate in the auction. If you have any questions, please call the auctioneer at 540-476-3309.

BIDDING:

Using YOUR knowledge and experience, form your own opinion of the property and bid accordingly. If you are in doubt, DO NOT BID. The property is sold AS-IS; this is an AUCTION and all SALES ARE FINAL. Bids cannot be retracted and are binding contracts between Bidder and Auctioneer/Seller. Bidder is accountable to be informed about property and associated costs before bidding. A maximum bid can be placed on the property in the online bidding interface. A maximum bid is kept confidential. Except for properties noted "Absolute Auction," Or "Sells To The Highest Bidder" all properties in auctions will be sold subject to seller confirmation or will have a pre-established minimum Reserve Price. Except where prohibited by law, Auctioneer may counter bid on behalf of Seller on any property up to the amount of the Reserve Price (and no such bid will result in a sale of the property). If the Reserve Price is not met, Seller is under no obligation to sell the property; however, Seller may accept a bid that is below the Reserve Price in its sole discretion.

BIDDER VERIFICATION & QUALIFICATION:

The identity of all bidders will be verified prior to participation. The Auctioneer may require a proof of funds letter be submitted prior to bidder participation. A credit card is required to register for online bidding. No charges will be made to your card unless you are determined to be the winning bidder and you fail to execute the Contract of Sale and pay the required earnest money deposit. At the discretion of the Auctioneer, a penalty of \$1,000.00 will be charged to the credit card provided at registration if you fail to return the signed Contract of Sale and pay the required earnest money deposit within the required time period. Payment of the penalty shall not affect other remedies available to the Seller for such failure.

BROKER COMPENSATION:

Preapproved (No later than 5:00 PM the day before the auction ends) brokers participation will be compensated. Twenty percent (20%) of the buyer's premium will be paid to a qualified licensed real estate agent whose registered buyer's offer is accepted by the seller and closes on the property. To qualify for a commission, the agent must first register his/her self and client with the Auctioneer by 5:00 PM the day prior to the close of auction. Brokers only receive commission when they represent a client, not if they themselves are the client. Commissions will be paid only after closing and after the Auctioneer has been paid in full. Agents are not required to attend the closing but must attend the auction with their client and/or visit the property with their client during the marketing period. Agents must have client's permission to register him/her for the auction. Agents may not register people who are not actually their clients. If an agent has not met all of these requirements, no commission will be paid to the cooperating agent, even if the agent's client purchases the property. Under no circumstances whatsoever will any commission be paid if the sale does not close for any reason.
