Based on your request, please find below a summary of Southside Electric Cooperative's Subdivision fees that are due prior to construction on the above mentioned development. These fees are based on Southside Electric's Line Extension fees as detailed in Article VI, Extension of Facilities found in the current Terms & Conditions. Installation of facilities itemized below will commence as part of the normal Construction schedule once this document is signed and returned along with payment. Should you wish to make changes, please contact the Cooperative Call Center at 1-800-552-2118.

Summary of Subdivision Construction		
1	Subdivision / Development Name	Lochleven Subdivision
2	Number of Lots under Development	8
3	Total Footage of Extension (Ft)	634
4	Overhead / Underground / Combination	Underground
5	Take-Off Structure Location Number	1384-07-002
6	Installed Feeder Type: 1-Phase / 3-Phase	1-Phase
7	Total Job Estimate	
8	Average Cost Per Foot for Subdivision	\$24.94

1. The Total Job Estimate detailed on Line 7 above will be due in full prior to any job scheduling or construction.
2. Prior to design, the Developer must provide to the Staking Technician (1) A surveyed plat of the development and (2) A Subdivision Blanket Utility easement allowing for the installation and maintenance of any facilities.
3. The Cooperative holds the right to adjust the total Job Estimate (Line 7) to reflect the actual Construction cost involved with a particular project upon completion. Any deviations from the designed route will be considered an exception and will be added to the total job estimate. If such a case arises, the Total Job Estimate payment will be adjusted to reflect the increased costs and the additional cost(s) will be billed to the Developer.
