Re: Renewal Approval for the facility Oil Discharge Contingency Plan # FC 04-3705 for Southside General Store VA DEQ Facility ID 4000673.

Dear Ms. Temple:

This letter serves as Renewal Approval for the Oil Discharge Contingency Plan (ODCP) submitted and reviewed according to 9 VAC 25-91-10 et. seq. for the following facility:

**Southside General**

**The approval is effective until February 2023.** Updated plans shall be submitted to the department for review and approval not less than 90 days prior to this expiration date. All notifications of changes, submissions and updates of the plan required by the above mentioned regulation shall be directed to the Virginia Department of environmental, Piedmont Regional Office, Glen Allen, VA 23060.

Be advised that in the event of an oil discharge the facility operator must immediately implement all applicable provisions of the plan as well as all relevant requirements of Article 11 of the State Water Control board Law (62.1-44.34:14-23).

Should you have any questions, please feel free to contact Mr. Tony Somoza at (804) 527-5071.

Sincerely,

  
Robyne Bridgman  
Regional Remediation Manager
