**Bien Venue Plantation Subdivision
Declaration of Protective Restrictions and Covenants
Amended 2020**

Introduction

Strong restrictions protect your investment. The provisions of the Declaration of Protective Restrictions and Covenants, as hereinafter set forth, have been designed with the thought that most persons, ideally, would like to be a part of a community having an ecologically balanced atmosphere, in harmony with the natural environment. This specifically includes each individual property owner's right to enjoy their privacy, individual needs, and desires without infringing upon those of their neighbors. Consequently, in this Declaration an attempt has been made to provide for the reasonable exercise of maximum freedom and enjoyment for those activities which may be engaged in upon the individual lots comprising the community.

Bien Venue Plantation Subdivision

NOW THEREFORE, WITNESSETH: This Deed of Declaration for Bien Venue Plantation Subdivision is made subject to all of the following provisions of this Declaration of Protective Restrictions and Covenants, which provisions shall be deemed to run with the land for the mutual protection and benefit of all land owners, and apply to each and every numbered lot shown on the plat of Section I, Bien Venue Plantation, recorded in the Clerk's Office of the court of Louisa County, Virginia, at Plat Book 8, Pages 221, 222, 223, 224, 274, 275, 276, 277 and 278, except where reserved as herein provided, to wit:

Article I. Use and Improvement Standards

Section 1. Statement of Principles and Purpose

1.1: Considerable effort and expense were given to the master planning of Bien Venue to ensure a thoughtful and harmonious development process. A major concern in the planning is the integration of development with its immediate environment. Bien Venue Plantation Property Owners Association (the "Association") has always believed that man-made improvements should, as much as possible, blend with the environment and nature rather than stand in stark contrast to it. The quality of development and that of the homes constructed at Bien Venue determines, to a great extent, the character of the community, the value and the nature of life within the community.

1.2: In order to ensure that these objectives are achieved and to ensure a continuity of physical development such that future development will be compatible with existing development, the Association has declared and recorded these covenants, conditions and restrictions applicable to Bien Venue Subdivision, further establishing a community Architectural Control Committee (formerly called "Environmental Control Committee") and setting forth its jurisdiction, powers, obligations, and the rules and regulations under which this Committee will conduct its review of proposed improvements.

Section 2. Exclusive Residential Use and Improvements

2.1: Except as otherwise provided in this Article and in Articles II and III below, all platted numbered lots within Bien Venue Subdivision are specifically restricted to residential use for single family private dwellings or residences designed for occupancy by one family on each lot. No structure or building of any kind or construction of any sort, including any excavation of the natural soil surface, shall be placed or permitted upon any lot unless and until plans and specifications giving description of same shall have been submitted in duplicate to, and approved in writing by, the ACC (the "Committee") as the same is from time to time composed.

2.2: The placement, storage or occupancy of mobile homes, mobile houses, tents, truck campers or pop-up campers on any lot within the subdivision shall remain strictly prohibited. This provision shall not apply to the parking of unoccupied motor homes, pop-up campers, recreational trailers, with the wheels affixed, or a boat in the driveway or parking area adjacent to approved single family homes which have been issued an occupancy permit by the local building authority, provided that there shall be no more than one recreational vehicle parked on any lot at any time. This provision shall not prohibit the storage and parking of one boat and trailer on any lot provided that the wheels remain affixed.

2.3: Camping is prohibited. This provision shall not apply to camping adjacent to an approved single family home which has been issued an occupancy permit by the local building authority provided that it does not exceed one night for enjoyment of the home owner.

2.4: Model homes and exhibit houses are prohibited.

2.5: No platted lot may be subdivided or easements granted without the specific written approval of the Board of Directors of the Association; provided, however that the Association reserves the right to re-subdivide any of its unsold land in the subdivision, provided that any further re-subdivision is at the minimum consistent with the existing caliber of the community. If two or more adjoining lots are acquired by the same owner, no part or parts of said lots shall be conveyed unless each lot being conveyed and each lot being retained are in compliance with all of these restrictions and covenants and with the laws and regulations of Louisa County and the Commonwealth of Virginia.

2.6: For the benefit and enjoyment of all lot owners and the Community Association the Association reserves unto itself, its successors or assigns a perpetual, alienable, re- leasable and assignable twenty (20) foot easement along all rear lot lines and a fifteen (15) foot easement along all side lot lines as shown on the plats of survey, recorded at the Clerk's Office of the Court of Louisa County, Virginia, at Plat Book 8, Pages 221, 222, 223, 224, 274, 275, 276, 277 and 278 made part hereof, for the installation of public utilities and drainage, for the protection and appearance of property, and the safety and health of the property owners, reserving unto the Association, its successors or assigns, the sole right to convey the rights reserved. The Association further reserves an easement, as more particularly described in

the plats of survey, for the recreational access and benefit of all property owners within Bien Venue Plantation Subdivision. Said recreational easement shall inure to the benefit of the Association as common property and shall remain as perpetual recreational easement for the benefit of the property owners.

2.7: No commercial or business enterprise shall be allowed on any platted residential lot except as permitted by Article V, Section 1, Paragraph 1.1, or as specifically permitted by the Board of Directors.

2.8: The breeding or keeping of any domesticated animal or wild animal on any lot, or within any residence, shall be strictly prohibited. This restriction shall not apply to; domesticated equine/bovine provided one per 40,000 square feet of land, given land is zoned for Agriculture and all local ordinances are followed; dogs, cats or other small domestic animals that are kept as household pets and of a quiet inoffensive nature, to the breeding of such as a business, and the keeping of such on a commercial basis. Under no circumstance shall a horse be maintained on any lot or combination of lots prior to submitting plans for an approved barn type structure for housing a horse. Said structure must be of substantial materials and must be of similar design to a residence which exists on the property proposed for construction of said barn.

Section 3. Other Restrictions

3.1: Under no circumstance shall construction, excavation or site work of any kind commence on any lot until such time as an appropriate driveway entrance culvert meeting state specifications has been installed, and a minimum three (3) inch aggregate (gravel) base construction entrance driveway has been installed over a minimum of sixty (60) lineal feet extending from the community road edge into the property. Whereas the roads will ultimately become publicly dedicated, it shall be mandatory for all lot owners to ensure proper use of the roads by those performing construction services for said owners, and any damages to roads, road edges, or the property of another by those performing services for an owner shall be immediately assessed upon the owner for repair.

3.2: Portable outdoor toilet facilities must be provided during construction of any residence. They may not be emplaced prior to final written construction approval of the Committee, must be properly maintained according to acceptable health standards and must be removed within ten (10) days of completion of construction. Effluent removed from the facilities must be disposed of outside the subdivision by third party contractors licensed for removal and disposal of same.

3.3: The use of adjoining lots or common property for access to the construction site or for the storage of materials without the specific written approval of the adjacent owner is prohibited. The disposal of construction debris, surplus materials, trash, cans, wrappers, paper, etc., shall be strictly limited to off-site removal. There shall be no dumping facilities within the subdivision. Appropriate trash containers shall be maintained at all construction sites, at all times, and shall be requisite to approval of all construction proposals submitted to the Committee.

3.4: No billboards or advertising of any nature shall be erected, placed or maintained on any lot, or upon any building located thereon, except (1) directional and informational signs erected by the Association, (2) real estate and contractor signs that are approved and authorized by the Association and that are located on lots upon which improvements are being constructed, and (3) "for sale" real estate signs authorized by the Board of Directors of the Association that are limited to a maximum size of six square feet and that are installed no higher than three feet.

3.5: Construction and material delivery hours within Bien Venue Subdivision shall be strictly limited to the hours commencing seven (7) a.m. and ending at six (6) p.m., Monday through Friday, and seven (7) a.m. through one (1) p.m., on Saturday. 3.9: It shall be the full responsibility of all lot owners to regulate and be fully responsible for the actions of their guests and those performing services for the property owner, including all contractors.

Article II. Architectural Control Committee and Building Plans

Section 1. Architectural Control Committee

1.1: The plans and specifications for any dwelling or other building to be constructed or externally altered on any lot, or for any other structure including fences, or for installation of septic systems, lot clearing or driveways, shall first be approved in writing by the Architectural Control Committee prior to start of construction, installation or alteration.

One set of approved plans shall be retained by the Association and one set shall be returned to the applicant with written approval by the Chairman of the Committee. 2.6: No single family residence shall exceed thirty-six (36) feet in height as measured from natural ground level, unless otherwise approved by the Committee.

2.7: Any structure approved and erected or placed on any lot shall be set back at least sixty (60) feet from the front road easement line, at least forty (40) feet from the rear lot line, and at least twenty-five (25) feet from each side lot line, unless the Committee allows variances and adjustments in order to overcome practical difficulties. Under all circumstances any structure must first be approved by the local Building Authority having jurisdiction, and a building permit must be issued by such Authority prior to commencement of any construction activity.

2.8: The exterior of all structures must be completed within nine (9) months after start of construction or alteration. The Committee may approve an extension of time for appropriate cases.

2.10: Upon completion of all site excavation, disturbed soils shall, within thirty (30) calendar days following completion, be properly graded, fertilized, seeded and mulched with straw or sodded.

ARTICLE III. STREETS, ROADWAYS AND EASEMENTS

3.1: The streets and roadways shown on the plats recorded in the Clerk' s Office of the Court of Louisa County, Virginia, at Plat Book 8, Pages 221, 222, 223, 224, 274, 275, 276, 277 and 278, of survey have been publicly dedicated within the mean of Section 15.1-478 of the Code of Virginia, 1950 as amended, and shall therefor be Virginia Department of Transportation maintained.

Further, the Board of Directors reserves the right for the Community Association to enter into agreements with other recreational subdivisions and clubs for the mutual exchange of rights and privileges to use easements and recreational facilities and amenities.

3.3: No motor vehicle of any kind whatsoever shall be permitted upon Association easements.

Article IV. The Bien Venue Plantation Property Owners Association

Section 1. Membership Required

1.1: Membership in the Bien Venue Property Owners Association is mandatory for all persons or entities owning property in the subdivision. All such members are obligated to pay the dues and assessments levied upon each lot owner by the Association to defray the cost of construction and maintenance of roads, paths, recreational facilities and amenities used and maintained by the Association, and appropriate operating and administrative expenses.

1.2: Membership shall not be mandatory for the Association.

1.3: The Association shall be responsible for construction, maintenance, repair and upkeep of all subdivision parks, recreational easements, and appurtenant drainage easements. The Association shall also be the means for the promulgation and enforcement of all regulations necessary to the governing of the use and enjoyment of such pathways, recreational easements and such other properties within the subdivision as it may from time to time own.

1.4: The Association shall have all the powers that are set forth in its Articles of Incorporation, as approved by the State Corporation Commission of Virginia, and all other powers that belong to it by operation of law. This includes, but is not limited to, the power to levy against every member of the Association a uniform annual dues charge and special assessments per single family residential lot within the subdivision, the amount of said charge and assessments to be determined by the Board of Directors of the Association after consideration of current maintenance and future needs and requirements of the Association, for the purposes set forth in its Articles of Incorporation. However, no such charge shall ever be made against, or be payable by, the Association itself, or any corporation or corporations that may be created to acquire title to, and operate the amenities or other properties on behalf of the Association.

Section 2. Annual Membership Dues

2.1: Dues shall be a minimum of \$200.00 per calendar year, due and payable on or before the first day of March for each calendar year commencing the calendar year following the year of initial purchase. The dues may be increased by the Board of Directors with proof of additional cost, and the Association may levy special assessments for the purpose of defraying, in whole or in part, the cost of additional construction or reconstruction, unexpected repair or replacement, or for a described improvement upon the paths, parks or other member amenities. Such special assessments may be charged and paid monthly or in the annual dues.

2.2: Should any lot owner become delinquent in the payment of dues or assessments to the Association, such owner shall be denied use of common areas and recreational facilities under written notice until such time as the delinquency

has been corrected.

Said lot owner shall at all times, however, have the right to access over the roads in the subdivision to and from said owner's lot by the nearest route. Delinquent payment shall bear an interest from the date of delinquency at a rate determined by the Board of Directors, not to exceed the maximum rate permitted by law, and shall upon the date of delinquency constitute a lien on each lot to which the delinquency pertains.

2.3: Any lien shall cover and include the principal amount, the interest, and reasonable attorney's fees incurred in the collection and filing thereof. Every such lien may be enforced by equitable foreclosure suit filed in the Circuit Court of Louisa County, Virginia.

2.4: The remedy of foreclosure is non-exclusive, and the Association reserves all other remedies provided by law for the collection of the aforesaid delinquencies. The Association has the right to publish the names of the delinquent members in such a manner as it may deem appropriate. The written dated statement of the Association that no delinquency exists hereunder as of said date shall be conclusive evidence thereof.

Article V. Activities on and Uses of Lots

Section 1. No Commercial or Business Use

1.1: No commercial or business enterprises shall be allowed on any platted residential lot, other than arts, crafts, or professions operated and conducted solely by family members occupying the residence and only when such product or service is not distributed to customers at the operator's residence or within the subdivision.

1.2: No heavy equipment or vehicles used in industry or for commercial activities weighing over 10,000 pounds shall be regularly parked or stored on any lot. No vehicle of any type shall be regularly parked on any street or roadway in the subdivision. Each lot owner shall construct and maintain suitable and adequate parking space on his property for the parking of vehicles and those of his guests. Any truck larger than 10,000 pounds, and all unoccupied camping trailers, motor homes, and mobile camping units parked in the driveways or parking areas adjacent to the residence must be kept reasonably out of sight of residences which have been constructed on adjacent lots and the users of streets and roadways, except those vehicles used during the period of construction. Stripped down, partially wrecked, inoperable or junk motor vehicles of any kind, or parts thereof, are strictly prohibited in the subdivision unless garaged or covered with a car cover specifically made for vehicles. Any inoperable vehicle parked or placed on any lot or roadway must be removed within forty-eight (48) hours of notice by the Association. Failure to comply after notice will result in the Association having to remove such vehicle and charging the owner a fee for such service which may not exceed \$1,000. Enforcement of this provision shall be as specified in Article IV, Section 2.

Section 2. Well, Septic System, and Refuse

2.1: All dwelling houses shall be connected to an approved water supply and septic system. Any form or type of outhouse is specifically prohibited on any lot except during construction of residences. Owners may obtain permits for approved water supply and septic systems by contacting the Louisa County Health Department for an appointment and site placement approval thereof.

2.2: All garbage must be kept in covered rigid containers and so placed or screened as not to be visible from any street or roadway, except for trash pickup service, and it must be disposed of in accordance with County ordinances and these rules and restrictions.

Section 3. Use and Maintenance

3.1: All outside clothes poles, clotheslines and similar equipment, and every structure for the storage of fuel installed outside any building (if not buried below the ground the surface) shall be appropriately screened by shrubbery, other natural growth or approved method so as not to be visible from any street, roadway, or property of neighboring residences.

3.2: All lots, whether occupied or not, and any improvements thereon, shall at all times be maintained in such manner as to prevent their becoming unsightly by reason of unattractive growth of vegetation or the accumulation of rubbish or debris thereon. All grass shall be regularly cut and maintained so as not to become overgrown or unsightly and to prevent erosion. Should any lot owner fail to maintain the improvements or premises situated on the lot in a manner consistent with these restrictions, the Association shall have the full authority, through its agents or employees, to enter upon the premises and repair, maintain, and restore the property and improvements thereon. The owner shall receive written certified notice requesting full compliance and corrective action within 72 hours of receipt. If upon receipt of said notice the owner fails to comply, or provide written notice of contractual arrangements to have the repairs completed within a specified and reasonable time period, the full cost of such repairs or maintenance shall be levied upon the owner and lot by the Association, shall be payable immediately upon billing, and shall constitute a lien on the property until such time as paid in full, and the provisions of Article IV, Section 2 shall apply.

3.3: No living tree measuring six (6) inches or more in diameter may be cut or removed without the express written approval of the Committee, unless located within twenty (20) feet of the approved site of the main dwelling or accessory buildings. However, any tree may be removed without permission if required by the Louisa County Department of Health for septic system construction and installation or if the tree(s) is dead or is a threat to the health, safety or welfare of any person.

3.4: No motor vehicles of any kind, licensed or unlicensed, registered or unregistered, including motor bikes, snowmobiles, and all-terrain vehicles, shall be permitted in any areas marked for pedestrian, or other use of the recreational facilities, or any recreational easement, unless such areas have been specifically designated and authorized for such by the Board of Directors of the Association.

3.5: A sign with the property owner's name may be displayed on any lot providing such signs do not exceed twelve (12) inches in height and thirty (30) inches in length. No signs advertising a lot for sale are permitted without the specific written approval of the Board of Directors.

3.6: Hunting is strictly prohibited in the subdivision. No rifles, shotguns, handguns, or other firearms of any type shall be permitted for use anywhere in the subdivision.

3.7: No drilling, refining, quarrying or mining operations of any kind shall be permitted upon or within the boundaries of any lot, and no derrick or other structure designed for use in boring for subsurface materials shall be erected, stored, maintained or permitted on any lot within this subdivision. This restriction will not apply to the drilling of a well for water for residential use.

3.8: No noxious or offensive activities shall be carried out on any lot, or permitted to be carried on, nor shall anything be done on any lot that shall be or become an unreasonable annoyance or nuisance to the neighborhood.

3.9: No signs may be erected except as permitted in accordance with Sections 3.4 of Article I and 3.5 of this Article.

3.10: No burn barrels or open fires shall be permitted on any part of any lot, with exception to outdoor fireplaces equipped with fire screens, except with the written approval of the Board of Directors. All fireplaces in dwellings must be equipped with fire screens, and at least one (1) household chemical-type fire extinguisher must be stored and available in each dwelling for emergency purposes.

Article VI. Notification and Transfer of Ownership

Section 1. Resale or Transfer of Ownership

1.1: In the event of resale, or transfer of ownership, of any lot or residence within the community, the Seller, Trustee or Grantor shall immediately notify the Secretary of the Association of such sale or transfer providing the date of sale, to whom the property was sold or transferred, and the mailing address and telephone number of the new owners.

1.2: The Seller shall in all cases be responsible for ensuring that all assessments due are paid in full prior to sale or transfer of ownership and that gate access cards, passes, and other identification issued by the Association, if any, are delivered to the new owners at closing.

Section 2. Change of Address Notification

2.1: All lot owners shall notify the Association of any address change within 10 days of effective changes.

2.2 : Changes of address and transfer of ownership notification shall be directed to the Secretary of the Association.

Article VII. Restrictions and Covenants

Section 1. Enforcement

1.1: The Restrictions and Covenants herein contained shall run with and bind the land, and each is enforceable by the Association. In the event of a violation or breach of any of the restrictions by any property owner or agent, the owners of lots in the subdivision or any of them jointly or severally, shall have the right to proceed at law or in equity to compel a compliance with the terms hereof or to prevent the violation or breach of such terms in any event, In addition, the Association shall have the right, whenever there shall have been built on any lot any structure which is in violation of these restrictions to enter upon the property where such violation exists, and summarily abate or remove the same at the expense of the owner, if after ten (10) days written notice of such violation it has not been corrected by the owner. Any such entry and abatement or removal shall not be deemed a trespass.

1.2: The failure to enforce any right, restriction, reservation or condition contained in the Declaration of Protective Restrictions and Covenants, however long continued, shall not be deemed a waiver of the rights to do so thereafter, and shall not bar or affect its enforcement.

1.3: The Grantee of any lot subject to the coverage of this Declaration, by acceptance of a deed conveying title thereto or the execution of a contract for the purchase thereof, from the Association or owners of such lot, shall for himself and his successors or assigns, accept such deed or contract upon and be subject to each and all of these restrictions and the agreements herein contained.

Section 2. Variance and Adjustments

2.1: The Board of Directors of the Association may allow reasonable variances and adjustments of these Restrictions in order to overcome practical difficulties and to prevent unnecessary hardships in the application of the provisions contained herein; provided, however, that this is done in conformity with the intent and purpose hereof and provided that, in every instance, such variance or adjustment will not be materially detrimental or injurious to other property or improvements in the neighborhood or the subdivision.

2.2: The invalidation by any court of any restrictions contained in this Declaration of Protective Restrictions and Covenants shall in no way affect any of the other restrictions, which shall remain in full force and effect.

2.3: This Declaration of Protective Restrictions and Covenants may be amended or modified by a majority vote of the Association.

(c) The lien for assessments may be enforced and foreclosed in the manner

provided by the laws of the Commonwealth of Virginia by action in the name of the Board or the Managing Agent, acting on behalf of the Association. During the pendency of such suit, the Member shall be required to pay a reasonable rental for the Lot for any period prior to sale pursuant to any judgment or order of any court having jurisdiction over such sale. The plaintiff in such proceeding shall have the right to the appointment of a receiver, if available under the laws of the Commonwealth of Virginia.

(d) A suit to recover a money judgment for unpaid contributions may be maintained without foreclosing or waiving the lien securing the same, and a foreclosure may be maintained notwithstanding the pendency of any suit to recover a money judgment.

Section C. Supplemental Enforcement of the Lien

In addition to the proceedings at law or in equity for the enforcement of the lien established by the Declaration or Bylaws, all of the Members may be required by the Board to execute bonds condition upon the faithful performance and payment of the installments of the lien established thereby and may likewise be required to secure the payment of such obligations by a declaration of trust recorded among the land records of the Property's jurisdiction granting unto a trustee or trustees appropriate powers to the end that, upon default in the performance of such bond the aforesaid declaration of trust may be foreclosed by the trustee or trustees acting at the direction of the Board. In the event any such bonds have been executed and the declaration of trust is recorded, then any subsequent purchaser of a Lot shall take title subject to the declaration of trust and shall assume the obligations provided for therein.

Section D. Subordination and Mortgage Protection

Notwithstanding any other provisions hereof to the contrary, the lien of any assessment levied pursuant to these By-laws upon any Lot (and any penalties, interest on assessments, late charges, attorney's fees, or the like) shall be subordinate to, and shall in no way affect the rights of a first Mortgagee so long as such Mortgage was made in good faith for value received; provided, however, that such subordination shall apply only to assessments which have become due and payable prior to a sale or transfer of such Lot pursuant to a decree of foreclosure, or any proceeding in lieu of foreclosure. Such sale or transfer shall not relieve the purchaser of the Lot at such sale from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessments, which lien shall have the same effect and be enforced in the same manner as provided herein.

ARTICLE VIII. AMENDMENT TO DECLARATION AND BYLAWS

Section A. Method of Amending

These Bylaws may be amended by a vote of the members at a duly called meeting of

Such notice shall state the proposed amendments to the Declaration or these Bylaws to be presented to the members for approval and shall contain the text of the amendments to be presented or a summary thereof. Any such amendment shall be deemed approved if two-thirds (2/3) of the votes cast in person or by proxy at such meeting are in favor of the proposed amendment. If any amendment to these Bylaws is approved by the Members as set forth in this section, the President and Secretary of the Association shall execute an Addendum to this Declaration which shall set forth: (1) the date of the meeting of the Association at which the amendment was adopted; (2) the date that notice of such meeting was given; (3) the total number of votes of members of the Association authorized to vote at such meeting; (4) the total number of votes required to constitute a quorum at such meeting; (5) the total number of votes present at such meeting and counted in establishing the presence of a quorum; (6) the total number of votes necessary to adopt the amendment; (7) the total number of votes cast in favor of and against the amendment; (8) the text of the amendment; and (9) the effective date of the amendment.

In addition to the foregoing, termination shall not be allowed unless seventy-five (75%) of the holders of all Mortgages that are liens on the Lots consent in the aforesaid termination agreement.

(b) In the event of termination, the Members shall own the Common Properties as tenants in common in undivided shares with any holders of Mortgages on Lots having a lien on such undivided shares. Such undivided share of each Member shall be in the entire Common Properties on an equal fractional basis with all other Members. So long as the tenancy in common lasts, each Member or his heirs, successors or assigns shall have an exclusive right of occupancy of the Common Properties. All funds held by the Association including insurance proceeds, if any, shall be held for the Members in the same proportion as their former fractional interests. Any costs incurred by the Association in connection with the termination shall be considered an Association expense.

(c) Following termination, the property that was formerly the Common Properties may be partitioned and sold upon the application of any Member. Following a termination if the Board determines by not less than a majority vote to accept an offer for the sale of the Common Properties, each Member shall be bound to execute such deeds and other documents reasonably required to effect such sale at such times and in such form as the Board directs. In such event, any action for partition or other division of the Common Properties shall be held in abeyance pending such sale, and upon the consummation thereof shall be discontinued by

all parties thereto.

(d) The members of the Board acting collectively as agent for all Members, shall continue to have such powers as are granted in this Article VIII notwithstanding the fact that the Association itself may be dissolved upon termination.
