This document serves as evidence that the Septic System on the property @ 1771 Rawlings Hill Rd. Blackstone, VA is in compliance with the requirements set down by the State of Virginia, that the soils around the septic tank and over the drain field be firm and show no evidence of effluent breakout. The compliant conditions were determined during a visual inspection of the surface area and in probing the soils in the area of the tank and drain field.

The inspection was performed on 06/21/2023.

**** INSPECTIONS ARE GOOD FOR 30 DAYS ****
