Equipment Summary

Appointment notes

Technician Comments:

Knocked on the front door twice and rung the doorbell. No answer. Left a door tag on the front door. Did my exterior inspection. Removed minor spider web activity. Treated the exterior perimeter of the home and yard with a liquid residual. Also treated an active ant mound out in the front yard. Located checked and redated one crawlspace bait station. The service provided today is part of your on going guarantee, please call us if you have any concerns or issues before your scheduled visit. Thank you for your business, and for allowing me to provide your service. If you have any questions regarding this service, please do not hesitate to call our office. Thank you for choosing Bug Busters Pest Control Services to be your service professionals!

Bug Busters Pest Control Services is committed to the safety of our customers and our environment. All materials used by Bug Busters Pest Control Services have been registered by the Environmental Protection Agency. Please avoid unnecessary contact with materials and comply with all instructions and recommendations from our technicians. Thanks for your patronage!
