Being all of the residue of the property conveyed to James E. Robertson and Sarah S. Robertson, husband and wife, by deed from Kenbridge Office Supply, a Virginia general Partnership, dated November 12, 1986, and recorded in the Clerk's Office aforesaid in Deed Book 169, at page 803.

LIENS AND OBJECTIONS

1. Real estate taxes have been paid through 1987.
2. Power line and telephone line easements excepted.
3. Such other matters as a careful physical examination of the property and a recent survey of the same might disclose.
4. Attached hereto as Exhibit A is a copy of a deed dated November 12, 1986, from Kenbridge Office Supply to James E. Robertson and Sarah S. Robertson. Your attention is called to

the fact that access is over a private road since the property under examination does not touch a public road. Your attention is further called to the language concerning a residential restriction and the maintenance cost of the roadway.

5. Mechanics liens for new construction file ² within the statutory period.

6. Unreleased deed of trust dated April 16, 1988, conveying the property under examination from James E. Robertson and Sarah S. Robertson, husband and wife, to Robert E. Hawthorne and Ben L. Watson, III, Trustees, in trust to secure The Lunenburg County Bank the payment of one note in the amount of \$25,500.00 and recorded in the Clerk's Office of the Circuit Court of Lunenburg County, Virginia, on April 21, 1988, at 4:05 p.m., as Instrument No. 1714.

O P I N I O N

INSOFAR as the records are properly kept and indexed in the Clerk's Office of the Circuit Court of Lunenburg County, Virginia, I am of the opinion that James E. Robertson and Sarah S. Robertson are the fee simple owners of the property under examination, and the lien of your deed of trust set forth in Paragraph No. 6 above is a valid first lien on the property under examination, subject to the liens and objections set forth above.

Respectfully submitted,

Robert E. Hawthorne
