### *Why use Nicholls Auction Marketing Group to sell your property?*

Nicholls Auction Marketing Group has set and maintained an overall sales ratio in excess of 95% since 1980. Our standards for conducting an auction are simply higher, and the marketplace has responded, allowing us to be the leader in getting properties sold and closed. For property owners who are serious about selling—who wish to maximize their returns while reducing the time, risk and frustration of trying to sell through a traditional approach—our customized individual owner services are a perfect fit.

Nicholls Auction Marketing Group will customize and execute a results oriented auction marketing campaign that maximizes exposure and creates active competition for the purchase of your property. This results not only in full and current market value, but also preserves opportunities for greatest price, while limiting risk of lower price.
