

SHAWANO COUNTY HIGHWAY COMMISSION
SHAWANO, WISCONSIN
STATE OF WISCONSIN
COUNTY OF SHAWANO

PERMIT NO: 0058-18-19
Permit to: Install Driveway

NAME: Annemarie Ready TTEE

ADDRESS: 3003 N. Hawthorn Dr Florence, AZ. 85132

Having requested permission to excavate and/or fill within the limits of **CTH D** for the purpose of installing a New driveway.

Hwy D, Section 31, Township 27N, Range 14E

CULVERT SIZE MUST BE 20/40 FEET IN LENGTH AND 18 INCHES IN DIAMETER with Apron End Walls

As provided by Section 86.07(2), Wisconsin Statutes, and the proposed work having been inspected by a Representative of the Shawano County Highway Commission, said request is hereby granted, subject to the following conditions:

1. If there is a possibility that wetlands are present, the permit is not valid unless approved by the Wisconsin Department of Natural Resources (WI DNR). Shawano County Highway Department may approve the location of the application; however, the WI DNR makes the determination if wetlands are present. It is the applicant's responsibility to contact the WI DNR.
2. Proper barricades, flags, warning signals, and flagmen, if necessary, shall be provided by the applicant to safeguard the public.
3. The applicant, his successors or assigns, agrees to hold harmless the County of Shawano and its duly appointed agents and employees against any action for personal injury or property damage sustained by reason of exercise of this permit.
4. The proposed construction and the exercise of this permit shall conform to the requirements of the Statutes of the State of Wisconsin and to any regulations imposed by any legally constituted body having jurisdiction.
5. The Shawano County Highway Commission reserves the right to make such changes, additions, and relocations within statutory limits on the Right of Way as may at any time be considered necessary to permit the relocation, reconstruction, widening, and maintaining of the highway, or to provide proper protection to life and property on the highway.
6. The entire cost of construction maintaining, removing, altering, or replacing the facility installed under this permit shall be the sole responsibility of the applicant, his successors or assigns.
7. The roadway shall be kept open for traffic and 1 lane(s) shall be provided. There shall be no interference with traffic due to the placing of excavated material or machinery on the lane(s) kept open for traffic.
8. All damages to the highway shall be repaired, and the roadway surface, shoulders, slopes, ditches, etc. shall be restored to a condition acceptable to the Shawano County Highway Commission at the sole cost and expense of the applicant.
9. All driveways must be of earth material only; no concrete, stone, wood or bituminous side slopes shall be constructed.

The Shawano County Highway Commission at Shawano Wisconsin, shall have access to the work at all times for the purpose of inspection, and the work when complete, in so far as it affects the highway, shall be acceptable to the Shawano County Highway Commissioner or his authorized Representative. Work under this Permit shall be completed by **May 1, 2019**.

Permit approved this 1st day of November 2018.

SPECIAL INSTRUCTIONS:

Driveway Permits

Work within Right-of-Way Permit granted to Annemarie Ready TTEE, Township of Herman, to install a new driveway off CTH D. This entrance will be located 580 FT northwest of Stony Hill Rd on the north side of CTH D.

Property owner agrees to remove driveway (access point) located 330 ft. northwest of Stony Hill Rd on the north side of CTH D which is on the same parcel. The removal of this driveway is contingent on the new driveway as to stay within county ordinance guidelines.

The newly proposed driveway shall have a maximum driving width of 24 FT. An aggregate base is preferred but up to the judgment of the landowner as to how the appearance of this entrance shall be installed.

A 18" culvert will be required to be installed with the new driveway with apron end walls and 4:1 side slopes constructed with the new driveway. The culvert shall be centered in the drainage way at the lowest point for proper ditch drainage in the area.

Any disturbed soil shall be restored and seeded to satisfactory conditions of the Shawano County Highway Department.
