The bidding will proceed in the bid increments that were established for that lot.

4. The highest and final bidder shall be designated at the end of each online auction. Auctioneer reserves the right to reopen bidding if a dispute arises between two or more bidders. The Auctioneer's designation of the winning bidder shall be final.

6. **Dynamic Ending.** Each auction item in an online auction has a specific closing time and the ending time for each item is Dynamic (Extends Automatically) and will reset to 5 minutes if a bid is placed within the last 5 minutes of the item closing time. This will continue until there are no bids on that item for 5 minutes.

4. Electronic Notification
