The bidding will proceed in the bid increments that were established for that lot.

Auctioneer reserves the right to terminate Bidder registration and use of the auction Site and impose limits on certain features of the auction Site or restrict Bidder's access to, or use of, part or the entire Site without notice or penalty.

6. **Dynamic Ending.** Each auction item in an online auction has a specific closing time and the ending time for each item is Dynamic (Extends Automatically) and will reset to 5 minutes if a bid is placed within the last 5 minutes of the item closing time. This will continue until there are no bids on that item for 5 minutes.

4. Electronic Notification

Auctioneer emails a weekly newsletter or email blast notifying its bidders of the upcoming auctions and important information. If you are receiving a particular mailing and wish to discontinue receiving future mailings, simply forward the received email to Auctioneer to have your name promptly removed from our list or hit the **Safe Unsubscribed** link included in the email.
